DIVORCE BECAUSE WIFE INTERFERED WITH WEEKLY BATH

LOS ANGELES, Oct. 30.—Charging his wife with causing him extreme mental suffering by continually interfering with his weekly bath, Andrew Hanson, has filed suit for divorce here against Blenda G. Hanson.

Hanson stated in his complaint it always has been his custom to take a bath every week, but in the last three years he declared his wife would do all in her power to prevent him. She would turn off the heater and refuse him the use of hot water and soap, according to the complaint.

NO HOPE FOR DAVIS

KANSAS CITY, Oct. 30.—An appeal to voters to forestall "confusion and disaster" by making sure the election of Coolidge was made by Secretary of States Hughes here last night. He declares there is no hope of the election of Davis and charged that the sole aim of La Follette is to prevent an election on November 4 so he may "control" the selection of a president in congress.

ENGLISH HOP PICKERS SUFFER TERRIBLY FROM RAINY WEATHER IN KENT

CANTERBURY, Eng., Oct. 30.—Hop pickers, usually recruited from the ranks of the poorest people in England, have had a more wretched time than usual this year.

Wet weather and the continuously sodden state of the ground have produced more cases of minor illness and pneumonia than the first aid and mission hospitals on the spot could cope with, and many women and children have been severely affected by insect bites.

The bulk of them will have no employment for another year, when they will endure like hardships again to earn their pittance. They come annually to Kent to earn a few shillings a day.

Peps provide the best and handiest means of getting rid of Fall colds quickly and surely. Neglect adds to your troubles later on, most probably in the shape of a bad dose of bronchial catarrh that lingers through the winter.

The first sign of hoarseness or throat irritation is evidence that you need Peps. Dissolve one or two of these pleasant infection-killing tablets in the mouth right away. Breathe deeply into throat and lungs the powerful healing and germicidal Peps medicine given off in the form of fumes. These cut the phlegm, soothe and purify the tender air-passages and destroy harmful germs that start trouble in throat, and lungs.

Peps remove the cause of coughs, colds, sore throat, bronchitis, etc. By invigorating and fortifying the entire breathing system Peps give valuable resistance against weather dangers.
