BLUERIBBON

Good house-keepers are careful to specify BLUE RIBBON when ordering TEA. They do this because they know they will get the best tea in the market at the lowest price that the best can be sold for.

There is no tea in Canada so good or economical as BLUE RIBBON.

UNIQUE OPERATIONS DISPLAY WORKINGS OF HER BASIC INDUSTRY

Goodwill of Public Sought in the Solution of Economic Problems

Admiral Field, of H.M.S. "Hood," after a visit to a British Columbia logging camp, and seeing its operation, declared it was one of the most unique sights he had witnessed during his great world cruise.

When any illustrious strangers our forest industries.

this province is perhaps proudest teachers joined the party, which manager, Winnipeg. of the great industry that em- made a brief stopover in that ploys one-fourth of her working city. manhood.

Yet the people of British Col-umbia, anxious as they are to ex-hibit to their honored guests the TAXI CHARGES vastness of their basic industry, are far too much inclined to take for granted many matters in 0 which their keener interest would be of essential value.

To compliment an individual O operation upon the comforts of the camp and the efficiency of other than mechanical of an industry that foots a third of the province's payroll and furnishes plaints had come to members of a third of its total revenue, should be a prime duty of our

has not definitely set out his plans for the future, however.

Always obliging but possessed of keen preception where business matters were concerned, Mr. Broderick has conducted the affairs of the bank here in an efficient manner and has gained esteem and popularity among the many clients of the bank and the business public generally. His departure from the city will be much regretted and the best; wishes of wide circle of friends will follow him.

PARTY OF SCHOOL TEACHERS TO BE IN CITY MONDAY
