### Army

The mission of The Salvation Army is to the poor.

It is now at work in 79 countries with more than twenty thousand Officers.

In street meetings and halls, it appeals to the wandering to return to the narrow way.

It is engaged in a great preventive work among young people and children. It rescues the perishing,

cares for the dying, weeps o'er the erring, lifts up the fallen, tells them of Jesus.

Announces the great Annual Self-Denial Effort of the organization for the week May 5 to May 11. This week of Self-Denial will be preceded by a week of carnest prayer, and will be followed by a similar week of Self-Denial among Young People and Children.

> In its Self-Denial appeal, The Salvation Army is acking this year for \$100,000. No other organization in the world can do more with so little. This earnest appeal is made to the people of Canada who understand the great and varied service which The Army renders. It is also contributed to by the Officers and Soldiers of The Army who, in addition to their self excelled services all the year round, deny themselves in order to hale this fund.

Soldiers of The Army will call from door to door this year as usual for this appeal. Give quickly and generously r send your gift direct to
