# WESTHOLME THEATRE

**Monday and Tuesday, 7 and 9 p.m.**

## "THREE WEEKS"

Elinor Glyn's classic, world-renowned love story in motion picture. The novel the world will never forget. A history-making screen triumph containing everything that made the book a sensation — and more. Fast-moving! Unusual! Colorful! Kaleidoscopic! The most discussed story of modern times. Seldom does a photo-play remain in your memory after the final fade-out. Here is one you will remember—just as the world has not forgotten the immortal romance from which it was made. Remarkable scenery and settings. Exceptionally brilliant cast. Conrad Nagel, Aileen Pringle, John Sainpolis, Stuart Holmes, Robert Cain, Mitchell Lewis, Helen Dunbar, Joan Standing and a host of others.

Take Notice that I, Samuel Simpson, of Massett, B.C., occupation fisherman, intends to apply for permission to lease the following described lands: Commencing at a post planted near the southeast corner of Massett Island, and thence 5 chains to low water mark; thence following low water mark in a northwesterly direction a distance of 80 chains (1 mile); thence westerly 5 chains; thence southerly 80 chains (1 mile) to post of commencement and containing 15 acres (more or less).

SAMUEL SIMPSON, Applicant.
Peter Keay, Agent.

25th September, 1924.

**WATER NOTICE**

**(Diversion and Use)**

TAKE NOTICE that Andrew Sostad, Agent for Engineer Gold Mines Ltd., Inc., whose address is 848-120 Broadway, New York, N.Y., will apply for a licence to take and use 30 cubic feet per second of water out the Wann River, which flows Westerly and drains into Taku Arm about two and a half miles south of Engineer Mine. The water will be diverted from the stream at a point about one mile upstream from Taku Arm, and will be used for power purpose upon the "Engineer Mine," described as Eleven Crown-granted Mineral Claims, surveyed as Lots Nos. 19, 20, 106, 207, 209, 918, 967; 968; 970; 972, and 1264 Group 1, Cassiar District. This notice was posted on the ground on the 25th day of June, 1924. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Atlin, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is October 20th, 1924.

ENGINEER GOLD MINES, LIMITED, INC., Applicant.

By Andrew Sostad, Agent.

## SALARY INCREASE FOR MR. CREW IS BEING PROPOSED

A recommendation from the Board of Works that the salary of H. O. Crew of the city engineer's department be increased from $135 to $150 caused considerable discussion at last night's council meeting and, on the casting vote of Mayor Newton, was laid over for a week so that a report from the city engineer on the matter be obtained.

Ald. McMordie said he was perfectly agreeable to the increase being given if Mr. Crew was entitled to it. He felt, however, that the head of the department should report on the matter. For that reason, he moved that the matter be laid over. Ald. Collart held a similar view and seconded Ald. McMordie. He felt, however, that this recommendation was ill timed in view of the fact that a general revision of the salary schedule in the City Hall was being proposed. Ald. Perry, Ald. Casey and Ald. Macdonald expressed themselves in favor of granting the increase forthwith. They felt there was no question that Mr. Crew was earning the mony. He was working both as an office man and surveyor.

The motion for the matter to be laid over pending report from the city engineer was then put. Ald. McMordie, Ald. Collart, Ald. Smith and Ald. Clapp voted in favor and Ald. Perry, Ald. Casey, Ald. Macdonald and Ald. Evitt against. In casting his vote in favor of laying the matter over, Mayor Newton said if it came up again and the city engineer recommended the increase, he would vote in favor of it being given.

"So will I," echoed Ald. McMordie and Ald. Collart.

R. F. McNaughton, C.N.R. district passenger agent, and Harold McEwen, division freight agent, left on last night's train for Prince George where they will attend a conference of district officers of the railway. I. A. McPherson, superintendent from here, and J. P. Kirkpatrick, assistant superintendent at Smithers, are already there.

## OUTLOOK FOR MINING GOOD

**J. F. Duthie Says Dorreen Property is Looking Good; Deplores Criticism**

The outlook is for improved conditions in all the industries of the United States in 1925 and the effect will undoubtedly be felt in Canada and will reach to Prince Rupert and this district says J. F. Duthie of Seattle, who is in the city today in the course of a visit of inspection to his mining interests near here. Market conditions for minerals and lumber are gradually getting better and this will mean increased production.

**Ore at Railway**

Mr. Duthie deplores the attitude taken by certain interests in the interior in berating such companies as the Guggenheims who withdrew from operating in the field because there was apparently not sufficient tonnage on certain properties to warrant further expediture. It is not a good thing for the district he says for people to criticize so vehemently a large company which, after spending many thousands of dollars, decides to suspend operations. In the end it will only re-act to the disadvantage of the district and particularly those who thus voice their sentiments declares Mr. Duthie.

**Duthie Mine Closed**

Mr. Duthie has nothing to say with regard to the situation at the Duthie mine in which he and the Guggenheims are jointly interested. The property is still closed but Mr. Duthie proceeds there on this evening's train to visit it for the first time in a year. Mrs. Duthie will accompany him and they will likely proceed East from Smithers to Spokane.

## CANADIANS RETURNING FROM UNITED STATES

OTTAWA, Oct. 21.—Canadians to the number of 27,486 returned to Canada from the United States during the first half of the present fiscal year. Total immigration for the same period from all countries was 8,212, a decrease of ten per cent over the corresponding period of a year ago.

## CROWDS BROKE UP MEETINGS

**Rowdiness in British Election Had to be Suppressed by Police**

LONDON, Oct. 21.—Many election meetings last night were marked by rowdiness and some were broken up by disorderly crowds. Police protection was necessary in some instances.

## PREMIER'S THUNDER STOLEN BY COUNCIL

**Communication to be Sent to Sir Henry Thornton Asking that Stumps Near Station be Removed**

The city council last night, on motion of Ald. Smith and Ald Clapp, stole some of Premier King's thunder. These two aldermen submitted a motion that Sir Henry Thornton be communicated with on the matter of removing stumps on the railway reserve adjacent to the station which disfigured the landscape and caused an unfavorable impression for visitors. The motion admitted that the matter had been pointed to by Premier King who had suggested that it be remedied.

Ald. Casey was not in favor of the council sending a communication such as this when Premier King had said that he would take the matter up with Sir Henry Thornton. "Seeing that the city council had been sleeping so long, I don't think it would be fair to take the matter away from the person who suggested it. We might wait for a while and see if Premier King forgets about it or not!"

Ald. Perry moved and Ald. Casey seconded an amendment that the sending of the communication to Sir Henry Thornton be delayed. The amendment was lost, all voting against it but the mover and seconder.

There is little change reported in the condition of Archbishop Du Vernet today. He is still very low.

## KEELEY TELLS ABOUT STEAMER ALASKAN ROUTE

**Will be Good as any C.P.R. Steamer If Not Better**

Definite announcement regarding the construction of the Canadian Government Merchant Marine's new coastwise liner, which is to be placed on the Alaska run either for the 1925 or 1926 tourist season, will be made when R. B. Teakle, general manager, comes to Victoria on October 27, according to B. C. Keeley, Pacific coast superintendent of the C.G.M.M., who was in the city yesterday, says the Victoria Colonist.

Mr. Keeley said that J. E. Dalrymple, vice-president of the Canadian National Railway, also might visit the Coast with Mr. Teakle. No definite information had yet been received regarding his visit, but it was considered very probable that he would pay Victoria another visit.

Mr. Keeley was accompanied by T. Louden, superintendent engineer of the Pacific Coast for the C.G.M.M., on his visit here. They left last night for Vancouver.

**The New Liner**

In a statement to a representative of the Colonist, Mr. Keeley gave further information regarding the proposed new steamer for the Alaska run.

It will be a vessel similar in size, or even larger than the new C.P.R. steamers Princess Kathleen and Princess Marguerite. It will be of a different design, however, having cruiser stern, but about the same speed. There is no doubt but that it will be the largest coastwise steamer in British Columbia waters when completed. The passenger accommodation will be equal to, if not greater than, that of the new C.P.R. liners."

With the addition of this liner to the company's coastwise fleet a regular schedule to Skagway will be run, instead of to Prince Rupert as has been done in the past. There will be three liners in this service then, the Prince Rupert, Prince George and the new liner, which will most probably be named the Prince Arthur. The Prince John will continue in the Queen Charlotte Islands service.

**Extend Service**

In adding this new liner to the fleet the company will be able to give the same service to Prince Rupert that that port has been getting in the past and at the same time extend the run to Skagway.

**RADIO PROGRAM**

"One Night in Naples," a musical phantasy, will be broadcast by KGO, this evening, Oct. 21. A combination of eight mandolins, one violin, two mandolas, five guitars and one tambourine will play "The Carnival of Venice Overture," by Thomas; and Harry Robertson, tenor, will sing Milanese street songs. This novelty in radio programs is offered by Laurie A. de Graca, San Francisco instructor of stringed instruments. Following the musical program, J. E. Barnes, travel talker, will give a brief word picture of the City of Naples.
