

WESTHOLME THEATRE

Wednesday and Thursday, 7 and 9 p.m.

Warner Bros., by Arrangement with David Belasco, present

"THE GOLD DIGGERS."

A back-stage romance that will transport you behind the scenes of the lives of chorus girls, revealing the subtle arts of gold digging. The screen presentation of the play that made Broadway flock. The famous story of gimme-gimme girls and parties so wild they take the breath away. The adventures of a fresh, unspoiled girl amongst a gang of pocketbook stealers. She also had taking ways, but there was method in her money madness; she wanted to teach the man a lesson and make him love her. She did.

JAPANESE FINED PROVINCIAL COURT

Yesterday morning Stipendiary Magistrate Gale held his final court before leaving to take up his new appointment in Vancouver. J. Okamoto paid \$300 for the privilege of maintaining a private still, while his Oriental confreres, Akase and Kishimoto, tendered \$50 each for failing to have liquor in their possession lawfully sealed.

SCHOOL SURVEY BOARD IS HERE

Dr. J. H. Putman of Ottawa and Dr. George M. Weir of Vancouver Reached City Yesterday

The educational survey commission, which had been engaged in investigations in British Columbia for several months at the instance of the provincial government, arrived in the city yesterday afternoon and will spend a few days here. Already data from this district which they require has been assembled by H. C. Fraser, inspector of schools, who is expected back from a trip to the interior in the course of the next day or so. A meeting is to be arranged between the commission and the local school board.

The members of the commission who are in the city are Dr. J. H. Putman, chief inspector of schools, Ottawa, and Dr. George M. Weir of the University of British Columbia. Both are well known educationalists.

They visited the public schools today.

Mr. Justice Gregory will arrive here next week to preside over the fall sessions of the Supreme Court assizes which open in the city on November 11. There is a light docket including the Ocean Falls assault cases and a number of divorce actions.

KETCHIKAN PROTESTS USE OF HERRING FOR REDUCTION PURPOSES

KETCHIKAN, Nov. 6.—The commercial club has passed a resolution protesting against the action of the reduction plant at Craig using herring almost exclusively. It was pointed out that the halibut industry is suffering serious loss from lack of bait of this kind and urging that herring suitable for bait be not used for reduction purposes.

TAKE NOTICE that with a view to from date I intend to apply to the Minister of Lands for authority to construct a road to exceed forty (40) feet in width from the Engineer Mine to Wann River and across the undermentioned claims, viz.: the "Jersey Lily," "Goldmine," "Fractional," "Gold Mine," "Boy," "Jack-a-lot," "King George," "Brookline No. 4." All situate being on the East side of Taku and the Athlone Mining Division, District, Province of British Columbia. Also to construct such power line or lines as may be requisite and necessary for transmission of power from the above plant situate on Wann River to the operated or controlled by the late Gold Mines Ltd., Inc. Dated at Engineer Mine, Athlone, B.C., 22nd day of October, 1924. ANDREW SCOTT, Agent for Engineer Ltd. Inc.
