Friday and Saturday at 7 and 9, and Saturday Matinee at 3.

## "SCARAMOUCHE."

Adapted from the famous romance of the French Revolution by Rafael Sabatini. A gorgeous Rex Ingram production. A photo-play of thrills, love and beauty. The story of Scaramouche, the clown, in whose veins ran the blood of the nobility he fought against. Stirring romance, brilliant swordsmanship, the rustle of silks, the pillaging of castles, the splendour of court life, the frenzied mobs of the Revolution, all this and much more shown with faithful realism, in this veritable motion-picture triumph. Not in all the pages of fiction is there to be found such a glowing dare-devil character as that of this young scion of the nobility who became a clown, and fought and mocked his enemies for the love of a woman and to avenge a friend. Stupendous scenes include the storming of the Tuileries by a mob of 10,000 which is in itself the greatest spectacle ever filmed. Dazzling gowns and costumes. Remarkable cast. Ramon Navarro, Alice Terry, Lewis Stone, George Siegmann, Edith Navarro, Edith Allen, Carrie Clark Ward, Julia Swayne Gordon, William Humphrey, and many others.

TOPICS OF THE DAY.  
Admission 50c and 25c

**WHEN SHALL WE BUILD OUR OWN AIR FLIVVER?**  
Major McLaren Tells of Growing Popularity of Light Air Craft

VANCOUVER, Oct. 31. — That the time is rapidly approaching when everyone will be able to own his own air flivver, was intimated by Major D. R. McLaren in an address delivered to the Air Force Club at their organization meeting here. The light air craft is growing in popularity, according to the major. It can be built at comparatively small cost and all the fuel it requires is two gallons for a two hour flight. These machines attain a height of ten thousand feet and a speed of 70 miles an hour.

## WIFE OF CAPTAIN ORMISTON IS DEAD

Passed Away in Victoria Last Friday After Long Illness — Funeral Took Place Monday

Mrs. Ellen C. Ormiston, wife of Capt. Harry Ormiston of the local lighthouse tender Newington, died last Friday at the Royal Jubilee Hospital, Victoria, after a long illness. Capt. Ormiston, having been called south several weeks ago, was present at the end. Besides her husband, Mrs. Ormiston is survived by two children, Charles and Helen. The funeral took place in Victoria on Monday.

## MONEY IS PUT UP BY VICTORIA BUT BUSINESS IS DONE BY VANCOUVER

H. W. M. Rolston, publisher of the Portland Canal News, and financial man of Stewart, B.C., is in Victoria today being interviewed by investors and others as to the interesting developments and discoveries recently made in the northern mining district says the Victoria Times.

Victoria has backed the Stewart district with its money and has stuck by it from the start, largely making its developments possible, Mr. Rolston said. "But the strange fact is that while Victoria has put up the money for the development of Stewart, Vancouver firms get nearly all the orders for goods and equipment up there."

Officials of the Victoria Chamber of Commerce are discussing the matter today with Mr. Rolston, who is very optimistic about the future of the Stewart district and the leading mines individually. He will be here and in Vancouver for a couple of weeks.

## VICTORIA PAPER SCORES ASSOCIATED BOARDS OF TRADE

Says They Had no Right to Interfere in British Election Campaign

Is it the proper thing for the Associated Boards of Trade of British Columbia to cable ex-Premier Baldwin and express the hope that his efforts will be crowned with victory when the votes are counted on October 29? The general drift of the message is that the British Columbia organization is convinced that imperial preference "is the surest way of consolidating the Empire and of curing unemployment." And Agent General Wade has been notified of the cable and asked "to give it the fullest publicity throughout Great Britain."

Canada gave Great Britain a preference because it suited Canada. Canada has increased that preference from time to time because it suited Canada. Canada

would have accepted a Dominion preference if the people of Great Britain could have given it as freely as this country gave preferences to British goods. But the people of the Old Dominion respectfully declined to change their fiscal policy for the benefit of the Dominions. The people of the Dominions recognized the right of their kin across the sea and the matter dropped. Interests wider than sectional advantage were obviously involved and left their influence.

## SPEND NO MONEY ON P.G.E. PENDING THE NEGOTIATIONS FOR SALES

VICTORIA, Oct. 31.—The Provincial Government hopes to see the P.G.E. and pending negotiations will spend no money on further construction or improvements to that road. It is expected that either the Federal Government, the Canadian National or the C.P.R. will take over the road eventually as either may handle it satisfactorily. It is expected that the Government will ask authority from the Legislature to make land grant to any company willing to take over the road and operate it.

## ARISTOTLE WAS THE FATHER OF SCIENCE

And he said "Nature makes nothing without a purpose." Man has been given and has taken command over nature which of the whole has been for the benefit of the human race. He has not yet been able to find a beneficial use for every natural thing but he has made wonderful progress in subduing the earth and making modern life one of comparative ease and comfort. Probably the most important factor in making our lives comfortable today is an inheritance from nature, namely, coal. And man in his restless desire to discover the best has brought to the market Nanaimo-Wellington coal which is now recognized to be the best obtainable. This coal has some wonderful qualities—freedom from clinkers and rock—small ash deposit and powerful, lasting heat—equally economical in furnace, range or fireplace.

This coal is obtainable only at Albert & McCaffery's and the public will be well advised in order to make sure they secure Nanaimo-Wellington coal and not a substitute to phone their orders direct to this firm. Their phone numbers are 116 and 564.

## NEW BUILDING AT AKERBERG-THOMSON WATERFRONT DOCK

Old Storehouse Has to be Demolished to Make Room For Road

A new building is being erected on the waterfront by Greer & Beattie, local contractors, for Akerberg-Thomson Co. to take the place of the storehouse abutting on the railway track which is to be demolished to make way for the new road which is to be constructed during the close season along the waterfront to the Provincial Government dock. The new building is 26ft. by 40ft.
