# "Her Temporary Hushand

A fast, furious frolic of fun and facetiousness. A ribtickling, side-splitting comedy of whiskers, corn and crooks. All about a flapper who married an old duck on the brink of the grave and who was too darn mean to tumble in. There were beards to her right, beards to her left, and the poor chick just couldn't tell where she was.

Owen Moore, Sidney Chaplin, Tully Marshall, Charles Gerrard, Sylvia Breamer and specially selected cast. COMEDY CARTOON-FELIX TRIES FOR TREASURE." FOX NEWS-GAZETTE. Admission 35c and 10c.

Ingrown Toe-Nails

It is a common occurrence to see a person limping along the street suffering foot torture. In most instances this misery may be avoided. How? When we learn to dress our feet in shoes that conform to the shape of the foot rather than trying to make our feet fit the shoes, then there will ! be fewer foot troubles. Shoes with pointed toes and extremely high heels should !

never be worn by persons who have "square toes." You may be surprised to find that you can buy shoes that are EUROPE AND BALKANS comfortable as well as good looking. Visit our Shoe be partment and you will be properly fitted.
