production for the first quarter of report of the Department of Mines, has increased \$2,333,000 over the corresponding quarter of last year, the total being \$11,575,151 and \$9,241,853 respectively. Silver was the only metal of importance to record decreased production during the period under review.

Among the passengers sailing on the Canadian Pacific liner "Montlaurier" for England on July 8th, was E. W. Beatty, Chairman and President of the Canadian Pacific Railway. While in England, Mr. Beatty is scheduled to address the Associated Advertising Clubs of the World on July 17th on the subject of "Building an Empire with Advertising."

Excellent reports as to the hunting in the Caribou district of British Columbia are being received. F. W. Pridham and Fred. Shaver recently returned from a month's sport in that district with an excellent specimen of grizzly bear weighing about 1,400 pounds. They saw moose, caribou, deer, black bear, pheasants and grouse, and consider the district a hunter's paradise.

Addressing the annual meeting of the Bond Dealers' Association of Canada at Toronto recently, the President declared that during the 12 months ending May 1st, \$507,-917,000 worth of Canadian bonds had been distributed, this being by far the largest total issued in the Dominion in any post-war year. The most striking feature in this connection is that about 89 per cent. was absorbed within the borders of

A LL the world despises an anonymous letter. We like a man to sign his name to what he writes.

But did you ever think that unknown merchandise is anonymous? Nobody to vouch for it. No name signed.

Notice the advertisements in this paper. There in bold print are the names of those who stake their reputations---stake your good-will towards them on the truth of what they have written.

The maker of advertised goods realizes that he might fool you once---but never the second time. His success is dependent upon your continued confidence in what he says in the advertisements.

Read the advertisements with confidence. They tell truths that you should know.

The measure of satisfaction is larger in advertised products
