## HE SURE FELT MEAN BUT MENDED HIS WAYS

Said a well known local man the other day "Well, Sir, the meanest feeling I ever had come over me was last Christmas morning. I had passed up the Christmas card idea entirely and of course was deluged with all sorts of lovely Christmas greetings, from relatives and old friends. And there, I hadn't sent out a single one. I thought then if everyone had been like myself a lot of real joy would have been lost. I determined to see that nothing of the sort occurs this Christmas. I am going to dispense sunshine on the "glad morn" as well as receive it." Your private greeting card can be selected at Rose, Cowan & Latta's, Fourth St., from our wide range at moderate cost, and cards will be printed on day of order. Phone 234.

## Here and There

Agricultural products harvested in British Columbia during 1923 were nearly $4,000,000 in excess of the 1922 total, according to the annual report of the provincial department of agriculture. Total production for 1923 was $59,159,798.

The ninth winter carnival at Banff, Alta., will be held from February 7 to 14, 1925. The curling bonspiel in connection with the carnival will run concurrently from February 9 to 14. Revelstoke has fixed its carnival dates for February 3, 4 and 5, 1925.

Tourists to the number of 100,000 are estimated to have entered the Province of Nova Scotia during the past season. These people have left approximately $7,500,000 in the province, an increase of 25 per cent. over the previous year. The number of motor cars entering the province during the tourist season exceeded 11,000.

Canada Book Week was held from December 1 to 6 this year. Addresses, radio broadcasting and special displays in stores throughout the country drew attention to the objects of the week, which are to promote the reading of good books generally and to foster Canadian literature. The week was, as usual, a distinct success.

The foolhardy recklessness of certain motorists was recently strikingly illustrated at a public crossing on the Canadian Pacific Railway line at Blind River, Ontario, when a speeding auto approached the crossing so rapidly that the driver was unable to pull up, and ran his car into the side of a train which was passing at the time. Fortunately, no one was injured.

In recognition of its excellent exhibits at the 1924 exhibition at Toronto, the Canadian Pacific Railway has been awarded one of the medals specially struck off for presentation to the Dominion and Provincial governments, and to a limited number of other exhibits whose high class entries in the live stock and agricultural departments won them championship prizes.

The plans for the construction of an immense amusement centre at Victoria, B.C., to be called the Crystal Gardens, have just been announced by the Canadian Pacific Railway, which is responsible for the scheme. The gardens will include a salt water swimming pool 150 feet long, and a series of dancing floors, with tea rooms and gymnasium. Great quantities of plants, vines and shrubs will be grown in the structure, which is on the lines of a vast conservatory, containing 36,000 square feet of glazed glass roof surface.

A considerable increase in the sheep population of Canada, which has declined since 1920 from 2,255,020 to 1,575,000, is expected as a result of the recent importation by Alberta ranchers of 400 Rambouillet rams. These animals are merinos, with fine wool, bred in France from Spanish merino stock. Louis XVI obtained the first flock as a gift from the King of Spain. A harem of 20,000 western range ewes will be provided for the Alberta purchase. The enterprise is important, on account of the prevailing world shortage of wool.

A Woman of Hammond

We know, of course, that quite a few people have a prejudice against canned milk. A number of them, through one way and another, learn that Pacific Milk is a different product to the canned milks they know.

A woman living in Hammond writes: "It took me a long time to make up my mind to try Pacific Milk. I have used it over a month now and prefer it above even cream for baking."

HER FACE WAS COVERED WITH PIMPLES

SHE GOT RID OF THEM BY USING BURDOCK BLOOD BITTERS

Miss T. Hunter, R.R. No. 8, London, Ont., writes:—"I wish to recommend Burdock Blood Bitters to all women who are suffering from pimples or any other facial blemishes. About two years ago I was greatly troubled with pimples and sores breaking out on my face, and could get no relief until, finally, a friend recommended me to take B.B.B. This I did, and I am now glad to say that your remedy has given me the desirable results, and I now have a nice smooth, clear skin, as it has eliminated all the impurities from my blood."

## CITY REJECTS OFFER FOR SECTION ONE LOT

**Thinks Any Property There Should be Worth Taxes Against It**

The city council last night decided, on recommendation of the finance committee, to reject the offer of Stanley Smith of $1250 cash for tax sale lot 7, block 18, section 1, against which there are taxes in arrears totalling $2,220. It was decided, however, to ascertain from Mr. Smith whether he is willing to offer the full amount of taxes in which case the lot will be advertised for sale as is the custom of the council. The concensus of opinion was that lots in Section 1, at least, should not be sold for less than the taxes against them.

## ASSISTANCE ASKED BY HOSPITAL BOARD

**Statement Submitted to City Council Last Night Shows Institution Will Have $3,000 Deficit This Year**

Following a conference on Saturday between the finance committees of the hospital board and the city council when assistance was asked from the city in connection with the meeting of accounts for fire escapes and other expenses at the hospital, a statement of hospital finances as in the end of the year was submitted to the city council last night and referred to the finance committee for report. The statement showed liabilities of the hospital, exclusive of the nurses' home, as $16,719.52, and assets, $13,561.65, leaving a deficit of $3,157.87.

## DEDICATES HALL SALVATION ARMY KITSELAS VILLAGE

Captain F. A. Dorin arrived in town on the last train from Kitselas, where he conducted the dedication and opening of the New Salvation Army Native Hall at that place. Envoy Mark McKay and his Salvationist associates have worked hard and now enjoy the advantage of having a citadel in which to carry on the Army's work. Mrs. McKay and Virginia Bolton proved themselves good helpers collecting almost $200.00 between themselves towards the hall and this with a great many small contributions from friends of the cause and a grant from the Army has made the building of the hall possible.

"I find the Army work very encouraging and making considerable progress among the native people," said Captain Dorin in referring to the Salvation Army work in Northern B.C.

Capt. Dorin left last night for his home in Wrangell, Alaska.

**WAR BREAD**

SOFIA, Dec. 16.—Owing to the shortage of wheat, war bread is the rule in Bulgaria. White bread is almost prohibitive in price. Under the direction of the food dictator, re-established in Bulgaria six years after the war, the black bread is a mixture of wheat, rye and corn.

**HOSPITALS GET RADIO**

DUBLIN, Dec. 16.—A Belfast committee is raising $5,000 to provide the hospitals of the city with radio receiving sets, and the project, if successful, will be extended to other northern towns. The radio station at Belfast has proved a great success and its programs are in great demand.

## SYNOPSIS OF LAND ACT AMENDMENTS

**PRE-EMPTIONS**

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

**PURCHASE**

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

**HOMESITE LEASES**

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

**LEASES**

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

**GRAZING**

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.
