OLYMPIC VENUE NOW COMPLETED

Stands at Colombes Stadium Will Take Care of 60,000 Spectators —Well Appointed Arena

PARIS, March 24—The Olympic athletic stadium at Colombes is virtually completed and soon will be turned over to the French Olympic Committee by the contractors. The original plans called for a stadium to accommodate 100,000 spectators, but the economic retrenchment of the city of Paris made this impossible.

The Colombes stadium will provide accommodations for 60,000 spectators distributed as follows: Ten thousand seats in the covered stand to be known as the "Tribune of Honor"; 10,000 seats in a covered stand on the back stretch of the track, which will be called the "Marathon Stand"; 15,000 places for standees in stands at the entrance of each of the four turns of the track; 25,000 places for standees in two stands at either end of the track.

There are 34 exits, each 20 feet wide, and the architect, M. Faure-Dujarric, estimates that a capacity crowd could evacuate the stands in two minutes.

Big Press Stand

In the center of the "Tribune of Honor" will be the presidential box, to the left of which will be the tribunes of the International and French Olympic Committees, the diplomatic corps and the members of the Chamber of Deputies and Senate. The press stand with accommodations for 800 correspondents is to the right of the presidential box, just over the finish line.

The stand set aside for the athletes will accommodate 1,500 and is located at the extreme right end of the Tribune of Honor. Immediately under the Honor Stand are the athletes' dressing rooms, 38 in number, and with accommodation for 1,200 athletes at one time.

Eighty shower baths, four massage rooms and an emergency hospital where the French Red Cross will work complete the arrangements for the welfare of the athletes.

Track and Field

Encircling the field itself is the track of 500 metres in length and 8.50 metres wide. It is built of fine red cinders, providing a happy color contrast with the green of the association and rugby football fields inside it and the spotless white of the stands to the outside.

Distributed just outside of the regulation football fields are the pits for the jumps, four each for the broad, high and pole vault. The javelin, discus, weight events will also be competed within the enclosure.

The swimming pool is situated a few feet to the left of the honor stand, while the tennis courts are about 100 yards away from the Marathon stand across another green field.

FLOATING SPECKS BEFORE THE EYES MEANS LIVER TROUBLE

When specks start to float before the eyes, when everything seems to turn black for a few seconds and you feel as if you were going to faint, you can rest assured that your liver is not working properly.

The essential thing to do in all cases where the liver is slow, lazy or torpid, is to stir it up by the use of Milburn's Laxa-Liver Pills and clear away the accumulated mass of waste and poisonous matter from the system.

Mr. Chas. Aylmer, Frankville, Ont., writes:—"I used to be awfully bothered with floating specks before my eyes, headaches and sickness to my stomach. I took just half a vial of your Milburn's Laxa-Liver Pills and ever since I have felt as well as I ever did. Now I always keep them on hand."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

Sport Chat

Yesterday's sunshine brought out the season's first crop of practising athletes on Acropolis Hill grounds. Prospective football, baseball and lacrosse players together with some active fans were on hand and indulged in their first limbering up exercises. If the weather keeps up the way it has been lately sometime in the nature of ante-season games should be staged pretty soon. Indeed, active preparations are already under way for the game between the Inlander Mess and the Gyro Club which is now dated for April 6. Pending the holding of annual meeting, registration of players, drawing up of schedules and all the details attending reorganization for the season, all of which take time, there will of course be no league games. Usually it is late in April or early in May before they commence but the unusually early advent of spring this year has given an impetus to the enthusiasm of players and fans alike to get started as soon as possible. Tennis players were also out on the Acropolis Hill courts yesterday.

Farewells to indoor sports until next winter will be observed at tonight's basketball games being staged by the Association for the purpose of defraying doctors' and dentists' bills incident to the 1923-24 season. Basketball has been more than ever patronized during the past winter and, in view of the splendid group of four games that is being offered this evening, on last grand turnout is expected. Several of the league races have been close enough during the season but when the champion of each league are matched with the best of the remaining teams—as they are tonight—there should be some real fireworks. Apart from the purpose for which the games are being staged, the program itself should be well worth the price of admission.

Having gone through the Bulger & Cameron Cup competition without a single defeat and ending up the season last Friday night with a victory of better than two to one over George McIlmoyle, who is looked upon as one of the city's most expert players, Col. S. P. McMordie, first man on the Great War Veterans' team, enters a big favorite in the individual billiard tournament for city championship which is starting this week. The colonel has been playing consistently good billiards all winter and, in the course of the league team championship, defeated each of the first men of the five teams opposing the War Veterans at least once. While he may possibly not continue his record-clipping form into the knock-out series, he is given the odds by prognosticators generally.

COLTS AND MAPLE LEAFS HAD OUTING

Youthful Athletes Took Plunge at Salt Lakes and Visited Digby Island

A number of the members of the Colts Athletic Club and the Maple Leafs basketball team yesterday enjoyed an outing on the launch "Laura F." to the Salt Lakes where several members of both organizations went in swimming. It was cold but the sporting element was too strong to resist. Lunch at the Salt Lakes and supper at Digby Island were pleasant features of the day. A baseball game and hike to the wireless station were enjoyed at Digby Island. The party returned home at 6:30.
