The thickness of the black flyers, lands on the island. Just other couples. lin the nick of time! For the natives, having discovered that THE ACQUITTAL IS Ithem both. In the fierce battle that follows, Alan is shot by a native and left for dead, while Barbara and the aviators escape.

When Barbara returns home, she finds the town outraged at the news of her unconventional marriage. Although believing Alan dead, Barbara, nevertheless. defends her action.

Happiness Comes

But happiness comes to her at last, for Alan miraculously appears one day and takes her in his arms. A native girl had hid him and nursed him back to life. and a passing steamer had reseued him. So Barbara and Alan cenew the vows they had taken on the desert island.

There is dancing by native girls and all sorts of in's esting scenes in this picture.
