Famous Chef Admits Women Can Cook As Good As Men

By NADEANE WALKER

PARIS. — One of the most famous chefs of roast chicken, and decorate wth France admits that women can cook just as well as several slices of truffle. men. Paul Bellon is chef of the Cafe de Paris, one of only two Paris restaurants which rate three stars in this year's Guide Michelin, the gourmet's bible.

"Women make wonderful cooks," says Bellon. "The only a meal about once a week to give reason all the noted chefs are her a rest." men is that the trade is just Cooking is no longer the proud too hard for women. There's a profession it used to be, says lot of heavy physical labor in a Bellon. "The boys don't want to restaurant kitchen, and the hours go in for it any more. It used to

be a very well paid trade, but At .66. Bellon works about 14 nowadays a skilled cook good restaurant only gets about supervising and advising 18 40,000 francs (\$115) a month, cooks-all men. plus his meals."

He doesn't seem impressed with the highest accolade in the cul- favorite recipes, for inary world. "After all," he cooked in champagne: shrugs, "I came here as a kitchen RECIPE boy in 1904."

WIFE Since he became chef in 1920 Bellon has garnered enough Michelin stars for the Cafe de Paris to create a minor firmament. But his own favorite cook
