

WHAT WILL THEY THINK OF PRINCE RUPERT?

If through any slip or misto return Mayor Newton at thel head of the poll on Friday to represent them at Victoria, what would the rest of the country think? They would say that Prince Rupert does not want lower freight rates, that this connection with labor legislation, social legislation, and pressing the claims of the district on Ottawa in such a way as to bring results.

Happily for the district an its reputation Pattullo is getting. that general support which insures his election on Friday and he will go to Victoria to carry on the policy of northern development, to back up Oliver in his freight rates fight, and carry on the propaganda in favor of the north which he un- postal workers to go on strike at gotiations. dertakes all the time.

four square with his constituents and who says what he means and says it with some force. For the credit of the city and district, he is the man who should go to Victoria.

Strike Postal Workers of Prince Rupert should happen Cabinet Council Meeting this Afternoon considers Representations and Offer Made to Men.

OTTAWA, June 18 .- The acting postmaster general informed the postal-workers here that revised pay rates as deterwork done by the member in mined by the civil service commission are lower than former candidature in the present elecrate plus the 1924-25 bonus, the government is willing to continue the bonus until the salary revision for the entire service has been consummated.

Representatives of the postal workers meet the members party whose name he would give of the government again this afternoon for a conference with publicly if the Conservative party Hon. Charles Stewart, acting postmaster general, and Hon. was willing, was the promise of cannot hope to secure a majority.
