

tion. So it goes all along the line. We all have our pet aversions and diversions.

Some people never trouble to read this column and others read it religiously every day. To find out how many read it, the writer has only to step hard on somebody's toes and the fun is on.

Pleasant To Meet Visitor From Abroad.

It is pleasant to meet a visitor from abroad and to get his that there is no need to fear a Columbia shipped by water in is negligible. In Ontario, Quebec outlook on things and perhaps absorb some of his enthusiasm. food shortage here on account of 1917. Here we live much to ourselves and we are apt to get in a rut. the outbreak of war. We are affected by the small town influences. To hear the views of an outsider is refreshing and that is one reason why the Daily News often gives its readers opinions of visitors. The next best thing to meeting a visitor is to read what he says.

Should Guard Against Gradual Slowing Down.

The tendency in a small place where there is not very keen Reports were circulated in the competition is to slow down. Gradually the influence of the city yesterday to the effect that community affects the stranger and he succumbs in time. Some- two German warships had been times it is found that the small town cannot compete with the blown up by the British in the North Sea and that a naval enbig centre because of this tendency.

It is said that people leaving Prince Rupert and going out gagement was in progress off into the busier places find it difficult to maintain their own in the coast of Maine. They appear competition.
