to Europe
Via the glorious St. Lawrence Route.

THE Cunard-Canadian Route to Europe is absolutely unique in one respect — Montreal is the only "ocean port" in the world situated 900 miles from the sea, while Quebec is about 750 miles inland.

Both ports are used by the Cunard Line steamers. The magnificent oil-burning 20,000-ton ships, "CARMANIA" and "CARONIA" sail from Quebec to Queenstown and Liverpool — the popular "A" ships, "ANDANIA," "ANTONIA" and "AUSONIA" from Montreal to Plymouth, Cherbourg and London.

Cunard appointments, cuisine and service make your trip to Europe one of uninterrupted enjoyment, that will ever hold a treasured place in your memory of life's pleasures. And you are assured this, whether you travel Cabin or Third Class. For rates and sailing dates, see the Cunard Agent in your town, or write to

RATS DANGER TO THE CITY

Provincial Government Issues Instructions in Regard to Spread of Plague

Instructions have been issued by the Provincial Government to those interested in shipping with a view to preventing the spread of pneumonic plague to British Columbia from California ports. In the spreading of this disease rats are looked upon as active agents.

In Prince Rupert there are too many rats and no organized attempt has been made to rid the place of them. It may be impossible to eradicate them but the number may be reduced considerably, it is stated, and in the interests of health it is suggested that this be done. The matter is one for the health authorities rather than for individual effort.

MUSICAL COMEDY TO BE PUT ON HERE IN ABOUT TWO WEEKS

Local Young People to be Trained by Experienced Conductor For Event

Prince Rupert is to have the opportunity of attending a real musical comedy in about two weeks from now. R. L. Lewis, an actor and conductor of many year's experience, is in the city and has made arrangements to train a group of young people under the auspices of the Elks. The play will be "The Beauty Shop," a well known stage classic, full of wit, satire and high art comedy and with splendid choruses, duets and quartettes.

Two weeks of intensive training will be undertaken, the conductor using the Elks' Hall for the work. The personnel of the company is now being picked and the work will commence at once.

Last year Mr. Lewis put on the same thing at Ketchikan and so great was its success that three performances was not enough to enable everyone to see it.

HAYWARD PROPOSES TO REDUCE COST OF THE LEGISLATURE

Would Cut Down Fees of Members and Ministers and Reduce Representation

VICTORIA, Nov. 13. — Mayor Hayward, Conservative member for Victoria, suggested in the Legislature yesterday, debating the address in reply to the speech from the throne, that the ministers should be content to receive salaries as such without the members indemnity and that the sessional indemnity of $2,000 paid to private members should be reduced to the old figure of $1600. He also suggested that in the interests of economy, members of the Legislature should be reduced by twenty, thus saving the province another $40,000.
