

## WESTHOLME THEATRE

**Tonight Only, Saturday**  
at 7 and 9

**GLORIA SWANSON**

### "Manhandled"

A simple human story of a young girl, behind the bargain counter in a big department store, who comes to the realization that just as merchandise sells at bargain prices from over-handling so do women pay the price in reputation for the same reason. Every girl who sees "Manhandled" will imagine herself doing the same wild, exciting things Gloria does. In addition she will find beautiful clothes, beautiful settings plus a homely heart interest that will tie up with many of her own experiences. What a story! What a star! Gloria, climbing the false social ladder to success, swamped with silks and furs, MAN-HANDLED, only to find, in the end, that honesty, even in love is the best policy, and, her eyes opened, she reaps a great victory. Superb cast: Tom Moore, Frank Morgan, Paul McAllister, Frank Allworth, Lilian Tashman and others.

### "TOPICS OF THE DAY"

Comedy—Hal Roach's Rascals in "Giants vs. Yanks."  
Admission 50c and 25c

If your name is Mud, we know you have been chucked around by politicians.

If I might make a Christmas suggestion to any of my friends contemplating making me a present. Write a check and make the figures as high as you think your banker will approve when the slip is presented to the man in the cage.

A GIRL is almost bound to feel affection for a man who recognizes her makeup as beauty.

THE latest jazz dance is "The Winston Constitution" named after Right Hon. Winston Churchill, chancellor of the exchequer in Britain. Sir John Simon says the dancer takes a step forward, two steps backward, a step to the right and then reverses.

NIGHTS the time for dreaming

Of things we'd like to see, And lingeringly longing For that which cannot be.

But day's the time for doing The things that make us strong.

Realities of life are those That to the day belong.

NOW that Christmas is nearly here, let us talk about presents. First thing is, how much cash have you to spend?

THIS is the time to spend

But not the time to lend; I need all my cash To pay for my hash. And send a gift to my friend.

NOW that the hunting season is over it is perhaps safe to say that the best weapon for the average hunter is a high powered imagination.

### SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.
