THE COUGH OR COLD THAT SETTLES ON THE LUNGS IS HARD TO GET RID OF

These are the kind that are dangerous; the kind that weaken the lungs, the kind that allow the germs of consumption to get a foothold in the system.

Mr. John E. Luloff, Golden Lake, Ont., writes:—"Last year I had a cold, and a cough which seemed to stick on my chest. I tried different preparations, but they did not seem to help me any. I was advised, by a friend, to try

DR. WOOD'S NORWAY PINE SYRUP

and when I had taken a few doses I began to feel that it was doing me good, so I kept at it and inside of a week I was relieved of my trouble."

"Dr. Wood's" has been on the market for the past 35 years; you don't experiment when you buy it; put up only by The T. Milburn Co., Limited, Toronto, Ont.

COUNTED HIMSELF OUT

"Mike, didn't the priest tell yez when yez got angry to count ten?"

"He did an' Oi did, an' be that toime Finnigan had all the fight knocked out av me."

RATEPAYERS' ASSOCIATION AND THE PUBLIC INQUIRY

Editor, Daily News.

At a meeting of the Executive of this Association held December 11, the matter of the holding of a public inquiry regarding a city employee was discussed and the following resolution was unanimously adopted:

Whereas the public works department of our city this year has carried out very efficiently a large amount of work; and

Whereas the recent public inquiry conducted by the board of works did not tend to increase such efficiency, but rather to demoralize the organization of the department and the evidence submitted in our opinion did not substantiate the charges made by Alderman Casey.

Be it therefore resolved by the executive of the Prince Rupert Ratepayers' Association, that we express our utmost confidence in the city engineer and appreciate his efforts towards efficiency in the carrying out of his duties; and

Further be it resolved that we regret the holding of this recent inquiry as a "Public Inquiry," believing that in the best interests of the city this matter might have been settled by an ordinary investigation by the council.

(Signed) JOHN DYBHAVN, President.
A. BROOKSBANK, Secretary.
