BIG APPEALS AT COURT REVISION

Canadian National Railway, Development Co. and J. F. Duthie Enter Protests

The Canadian National Railways and the Grand Trunk Pacific Development Co. Ltd. have given notice that they will appeal the assessment of all properties in their names at the forthcoming civic court of revision on the grounds of excessive and incorrect valuations and other reasons. J. F. Duthie, the Seattle capitalist, who recently purchased Grand Trunk Pacific Development holdings in Sections 3, 4 and 9, has given notice through his solicitors, Williams, Manson & Gonzales, that appeals will be entered on all lots in these sections with the exception of those owned by the provincial government on the grounds that the assessment is too high and also inequitable. These appeals will be the most important to come before the court of revision which opens on Friday of this week.

COULDN'T SLEEP HEART WAS BAD NERVES A WRECK

Mr. H. A. Reid, Upper Musquodoboit, N.S., writes:—"I am very thankful for the benefit I have received by using Milburn's Heart and Nerve Pills.

When I came home from overseas, in 1920, my heart was very badly affected by concussion, and my nerves were a dreadful wreck. I was very short winded, and could not possibly sleep at night, in fact, I was in such a condition I felt as if I did not wish anyone to speak to me. I thought I would try Milburn's Heart and Nerve Pills, and before I had taken two boxes I could enjoy a good night's rest as well as anyone.

There are lots of returned men who are suffering the same as I did, and I feel sure that if they would only try Milburn's Heart and Nerve Pills they will receive the same relief that I have."

Price 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Adanacs Take League Leadership From Maple Leafs—Colts Beat S. of C.

Grotto, 29; Colts, 42.
Maple Leafs, 12; Adanacs, 14.
Sons of Canada, 38; Colts, 46.

Last night's basketball games were by no means devoid of interest and surprises. As had been predicted the features were the Ladies' and Senior League encounters. A closely contested battle in the former department ended up in as close a score, the Adanacs just nosing out on the longer end of a 14 to 12 count thus taking the league leadership by an advantage of two games from the Canadian ladies. Both sides were out to win and their playing amply demonstrated that spirit.

The Colts gave the Sons of Canada, Senior League leaders, a jolt and tipped them off to the tune of 46 to 38, thus overcoming some of the rather long lead against them in the standing.

The Colts played true to form in the Intermediate League and beat the Grotto out by 42 to 29.

The various teams scored as follows:

Intermediate League

Colts—M. Budenich, 9; D. Frizzell (2), 2; R. Smith, 2; J. Kelly (1), 13; G. Blythe (1), 16—total, 42.

Sport Chat

William Bexon, Cyril Dupre, W. W. D. Ackerman and H. G. Jamieson, Prince George curlers who represented that town at the recent Edmonton Bonspiel, returned to Prince George last week. While they did not land any of the prizes they held up in two or three competitions until close upon the finish. They met some of the best rinks and vanquished them but in time they were forced to drop out themselves. During their visit, the Prince George men crowded more curling into their lives than they had ever before experienced. There were between 90 and 100 rinks in the various competitions and ten sheets of ice were kept going all the time. One day the Prince George men started curling at 9 o'clock in the morning and did not finish up till 1 o'clock the next day.

Fred Thomson, former holder of the all-round track and field championship of the United States, deplores the practice of athletes relinquishing athletics as soon as they finish school. "North American athletes are the greatest in the world," he says, "but they are not sportsmen. By that I do not speak of ethics or honor. A sportsman, in the universal sense, is one who plays for the love of play. Yankee athletes give everything to their school and colleges; then when they finish school they are also finished with athletics; they relax and grow fat."

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U.S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, G. A. Johnson, 595 McDermot Ave., Winnipeg, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.

If you find you cannot get the daily News regularly, call in and subscribe for it and have it delivered to your home. tf
