

**Rinso**  
FOR THE FAMILY WASHING

Soak the clothes that's all  
No rubbing—no boiling

**For every wash-day method**

RINSO is ideal for any wash-day method you use. You do not have to change any of your usual steps—just use Rinso where you used to use ordinary soap.

If you like to boil your white cottons, Rinso will give you just the safe cleansing suds you need in the boiler. If you use a washing machine, follow the advice of the big washing machine manufacturers—use Rinso.

Just soaking with this new kind of soap loosens all the dirt until a single rinsing leaves the clothes clean and spotless.

However you do your wash, make it easy by using Rinso.

*If you use a Washing Machine, soak your clothes in the Rinso suds as usual. In the morning add more Rinso solution and work the machine. Then rinse and dry—you will have a clean sweet snow-white wash.*

Rinso is sold by all grocers and department stores

**FRUIT TREATMENT FOR CONSTIPATION**

Quick and Permanent Relief By Taking "Fruit-a-lives"

What a glorious feeling it is to be well! What a relief to be free of cathartics, salts, laxatives and purgatives that merely aggravate constipation and are so unpleasant to take and so weakening in their effect!

What a satisfaction to know that the juices of apples, oranges, figs and prunes will absolutely and permanently relieve constipation. By a certain process, the juices of these fruits can be concentrated and combined with tonics—and it is these intensified fruit juices that correct constipation, relieve headaches and biliousness, and make you well and keep you well.

"Fruit-a-lives" are sold everywhere at 25c. and 50c. a box—or sent postpaid by Fruit-a-lives Limited, Ottawa, Ont.

**INDIGESTION GAS ON STOMACH PAINS AFTER MEALS**

Many people suffer terribly from gas and pains in the stomach after every meal, and are kept in constant misery. For the past 44 years, Burdock Blood Bitters has been bringing hope and joy to thousands suffering from various forms of stomach trouble, helping them to eat three square meals a day; helping them to eat anything they wish, without having to suffer for it after.

Mr. Fred Nielson, Moose Jaw, Sask., writes:—"All last summer I was troubled with stomach trouble and indigestion, and also gas on the stomach. I could not eat anything except some light food and even then I would be bothered with pains after each meal. I could not work a whole day without being done out. I had tried everything; doctors, medicines and pills, until I read about Burdock Blood Bitters, have taken four bottles and it has nearly, if not completely, restored me to health again."

**FOURTH**  
of the series dealing with the establishment of the BANK OF MONTREAL at representative points in CANADA and elsewhere

**IN TORONTO**

A YEAR after being founded, the Bank of Montreal spread its Branches westward, in July of 1818 establishing Agencies at Kingston and York.

York, which afterwards became the city of Toronto, had then just had its first stage-coach communication established with Kingston and Montreal. It was merely a settlement in a clearing amid unbroken forests from which the Indians came to trade with farmers and other members of the little community. Today Toronto ranks among the largest cities on the continent.

Of the Bank's 567 Branches, 26 are in Toronto and 207 in the Province of Ontario, including Toronto.
