## The Man in the Moon SAYS—

I WONDER if it is his ability to dance well, to ride indifferently or to look like one of the rest of us, that makes the Canadian girls fall for the Prince. Perhaps it is his ability to fall.

OLD Farmer John out with his scythe is just going to mow down those railway rates and harvest them in the interests of B.C.

THERE is going to be a hard winter. It is reported that the aldermen are already digging themselves in preparatory to the midwinter elections.

THE latest form of gambling here is the arranging of sweepstakes on the British elections.

A PEDESTRIAN has rights on the highway, but of what use are they to him when his mangled corpse is recovered from the crush of vehicles.

BEFORE marriage he followed her; after marriage she follows him—with a club.

HOME is the place where the young people change their clothes and occasionally eat.

SIMPLICITY is to be admired but not in a man.

PRINCE Rupert radio fans have been listening to American political speeches. They say they are just like Canadian speeches only rather more so.

I KNOW more than one man who would feel flattered if he were shot in mistake for a bear.

AN opportunity is about the last thing in the world a sheik wants to embrace.

EVERYTHING comes to him who waits—even disappointment.

## ARISTOTLE WAS THE FATHER OF SCIENCE

and he said "Nature makes nothing without a purpose." Man has been given and has taken a command over nature which on the whole has been for the benefit of the human race. He has not yet been able to find a beneficial use for every natural thing but he has made wonderful progress in subduing the earth and making modern life one of comparative ease and comfort. Probably the most important factor in making our lives comfortable today is an inheritance from nature, namely, coal. And man in his restless desire to discover the best has brought to the market Nanaimo-Wellington coal which is now recognized to be the best obtainable. This coal has some wonderful qualities—freedom from clinkers and rock—small ash deposit and powerful, lasting heat—equally economical in furnace, range or fireplace.

This coal is obtainable only at Albert & McCaffery's and the public will be well advised in order to make sure they secure Nanaimo-Wellington coal and not a substitute to phone their orders direct to this firm. Their phone numbers are 416 and 564.

## Ten Years Ago in Prince Rupert

October 23, 1914

George Gillam, aged 12, of Mendota, Washington, is in charge of the city police today. He and an old blind man were picked up by Constable Bailey this morning. According to the boy's story he was kidnapped by the old man and forced to beg for him as they travelled over the province.

W. H. Sherman and W. Adams were prominent among the prize winners in the poultry section at this year's Exhibition.

Many heavy fills are necessary on the first mile of the Kalen Island road. A few months ago a start was made on the work near old airview camp almost across from the Marine Depot. So far, the right of way has been cleared for a mile and grading is now being done. Rails and dump cars were sent out a few days ago.

## SHOWS WAY TO BETTER HEALTH

Dreco Proves True Friend to Vancouver man. Surprising results from one bottle of famous herbal remedy and Mr. Underhill continues treatment with confidence.

"For a long time I have been in a badly run down condition, but now I feel that I have found the way to better health," is the statement made by Mr. Thomas Underhill, of 1036 13th Avenue East, Vancouver, B.C. What is the cause of this new-found optimism? Merely that he has discovered Dreco, the famous herbal remedy that has helped countless other sufferers and earned their heartfelt gratitude.

"I always felt weak and tired, had no appetite and could not sleep," says Mr. Underhill. "Have only taken one bottle of Dreco, but my appetite is better already, my nerves are steadier and I sleep much better. Dreco is the first medicine to help me and I feel sure that if I continue the treatment for a couple of weeks more, I will be my old self again."

Let Dreco correct those ailments that make life so miserable. They are generally traceable to a disordered digestive system and the fact that Dreco tones and regulates the stomach, liver, bowels and kidneys and purifies the blood, means that they are checked right at their source. Dreco is purely herbal and contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Prince Rupert by W. J. McCutcheon, and is sold by a good druggist everywhere.

## "Eczema All Over Arms Suffered for 12 Years"

Mrs. Murray Hough, Warton, Ont., writes:

"I had eczema for twelve years. Every once in a while it would break out and spread all over my arms. I tried all kinds of treatments to relieve it, but without success. One Spring it broke out and nothing gave me relief, even the salve I got from the doctor did no good. At last I tried Dr. Chase's Ointment and it healed the eczema in a short time. That is over a year ago, and I have had no return of the trouble."

## The Hall Mark For Cheese

Of course you know the meaning of the Hall Mark on Silver Plate—one of the oldest pledges of quality in the world, dating from 1180 and used primarily by members of the famous Goldsmiths' Company of London.

To the modern housewife the Kraft Trade Mark is the Hall Mark for Cheese. She insists on Kraft Cheese because the Kraft Trade Mark is to her a promise, a guarantee, of inimitable flavor, of quality beyond compare—and a protection against the inevitable disappointment of imitations.
