Build Elevator

HALLY EDITION

At This Port. It is hoped that every person in Prince Ropert will read the drive. The directors also deinterview given by J. H. Pillsbury and published elsewhere inicided to set aside the sum of \$100 this issue, so that he may be well posted on the local situation, a month as a sinking fund to pay Having read it, the next thing is for such person to make him- off the mortgage and interest self a live advertising centre, using every possible endeavor to thereon. have an elevator erected this year. If this opportunity is missed The contract for finishing the we shall have lost valuable time in the development of the port, third floor of the building was

the trade routes will have become established elsewhere. An elevator is the one thing we need just now. After that other tender being one from John we shall want two elevators. If this port is what we believe, Nelson at something over \$1,500, these elevators are bound to come, but much will depend upon The Rotary Club is guaranteeing the energy and enthusiasm of the citizens in seeing that they payment of \$1,000 of this amount are obtained.

Prince Rupert Will Oppose Brule Railway.

The supposition is that Prince Rupert will, as far as possi- over and above the original tenble, oppose the building of a branch line of railway from Brule der, which was slightly under one to the Peace River, urging rather the building from some point thousand dollars, is explained by in British Columbia.

There is a difference of opinion as to where the branch in plumbing on the upper floor, line would be built. Some urge that Prince George is the natural something which was not contemjunction with the C.N.R.; others say it should be at Vanderhoof, plated in the original scheme. while others again would like to see the line go to Hazelton or The finishing of this floor will some other western point. Looking at the map it would seem add five rooms to the building and as if Hazelton was not much farther from the Peace River than it was pointed out would be money Prince George.

The matter is expected to come up for consideration by the secretary of the Rotary Club was Board of Trade at an early date.

Coming of Expert May Help Elevator.

The sending of the elevator expert to this port to make a is to be completed by March 22 report may help influence the erection of an elevator here. At and when ready a grand opening any rate it will help give publicity to the possibilities of the will be held to which the public port. An elevator or two must be built here soon and anything will be invited and when they will that can be done to influence, their coming must not be neglected. have an opportunity of inspecting President McLeod of the Board of Trade is to be congratulated the finished building. on taking the initiative in this matter. We cannot afford to sit and wait. Vancouver had a hard fight to get the business. Possibly it was a steal but most people would look on it rather as a good business deal on the part of the oil interests at the expense of the people of the United States generally, the sterilizer was now complete, more animated and colorful pic- relieved in two mintes with Possibly more will be heard of this before the investigation now fitted with electric coils and was tures than those made by the proceeding is over.

In Most Homes

In these days of sedentary habits it becomes necessary for nearly all the members of the family to use some treatment to arouse the sluggish liver and ensure regularity of the

action of the bowels. Because Dr. Chase's Kidney-Liver Pills can be depended upon to produce the desired results

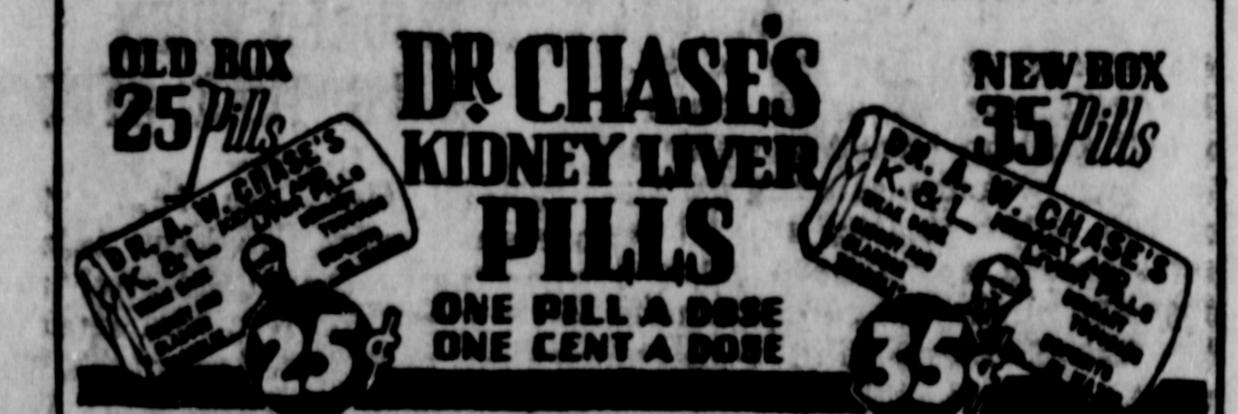

under all conditions they are

the most popular of family regu-

great majority of homes as a safeguard against the scores of ailments which have their beginning in constipation, biliousness and a deranged digestive system.

You will notice that while the price of Dr. Chase's Kidney-Liver Pills has been increased to 35 cents, the box now contains 35 pills instead of 25 as formerly.

Likewise Dr. Chase's Nerve Food is 60 cents a box of 60 pills, instead of 50 cents a box of 50 pills. Edmanson, Bates lators and are found in the & Co. Ltd., Toronto.

Contract Let to John McKechnie For Third Floor Work at \$1,476

At the meeting of the directors of the Prince Rupert Hospital Association last night in the City Hall. President D. C. McRae in Officers Elected at Annual Vestry the chair, it was decided on the recommendation of the finance committee to borrow the sum of \$1,800 on mortgage to pay for the completion of the Nurses' Home and tentative arrangements have already been made to secure that amount for five years at 8 per cent. This is the amount Saturday, February 16, 192 needed to pay for the original contracts in connection with the building over and above the amounts subscribed during the

Next year will not be anything like as good, for in the meantime let to John McKechnie, the contract price being \$1,476, the only and the remainder will come out of general revenue.
