Republicans Look Like Strongest Party.

The Democratic convention at New York is being carried to a point where it is patent that the party is badly divided and in slopes of our Pacific ports, all the rivers flood and in suma weak condition to enter a general election. It seems now that, reaching every nook and cranny mer there is a drought. With Capt. H. Nedden, due from Vanwhoever may be the final choice for presidential candidate, the of prairies, from coast to coast, no forests there would be no couver and wayports at 3 o'clock party is hardly likely to be solidly behind him. The issues under the Dominion would benefit by attraction for hunters and tour- this afternoon, is reported on discussion before the balloting started also went to indicate his official and friendly prethat there is anything but unity in the party.

On the other hand, the Republican convention was a very He would be in constant touch our province. harmonions affair both with regard to the adoption of a platform with all parts of the Dominion. Many people do not realize the When you buy advertising you and the choice of standard bearers.
