LESSON IN FIRE FIGHTING.

FLUSHING, Netherlands. — A single fire hose spraying nitrogenous foam recently accomplished in three minutes what several fire departments were unable to do in 24 hours.

Boston hockey club and a second Montreal club have been admitted to the National Hockey League thus bringing the number of teams that will operate in the league this winter to six. The new Montreal club paid \$15,000 for its franchise and the Boston club a similar amount. The four other clubs in the circuit are Ottawa, Toronto, Hamilton and Canadiens of Montreal. It is certain that New York will be an entry next year and possibly another United States city.

Walter Johnson, smoke ball artist of the Washington Senators and hero of the last game of the World Series last week, returns to his home town in Coffeyville, Kansas, today. The whole town will be out to give him a welcome. Plans made by the Chamber of Commerce at a special meeting called for a caravan of motor cars, bicycles and pedestrians to meet the veteran pitcher on the outskirts of the village and escort him triumphantly into "Main Street. A ball game in which Walter will perform is also scheduled and the day will be wound up with a barbeque in the evening.
