Personally I do not feel afraid f Americans investing money in lanada, but I certainly do think hat wealthy Canadians should to more for their own country instead of investing their money abroad; I do not think they are very loyal or patriotic to their own country, for if they were. they would do more to develop Canada's rich resources. I understand that British investors have millions of pounds to help develop the Dominions and Colonies, and there is no doubt but what they will invest considerable sums of money in developing Canada, and establishing industries, but they must be given a fair show and to manage their own affairs as extended to them in Australia, New Zealand, and other countries within the Em-

Effect of Election

Should the electors of Britain in the forthcoming election reurn a good, solid, reliable government, there is no doubt but what all the Dominions will greatly benefit thereby. Investors will then have full confidence! and Canadians and others will! still realize that London, England is the money centre of the world.
