John Flewin passed through on the steamer Camosun this afternoon returning to his home in Port Simpson after having spent the past three months in Longbeach, California. Mrs. Flewin is still in the south and expects to return north after she has fully recovered from a recent illness.

NEW LAMP BURNS 94% AIR
Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U.S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil). The inventor, G. A. Johnson, 595 McDermot Ave., Winnipeg, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

NOTICE
All persons owing accounts to the Prince Rupert Dairy are requested to make settlement forthwith in order that their business may be closed out. 29

HIS SLUGGISH LIVER MADE HIM FEEL DROWSY AND TIRED ALL THE TIME

When your liver becomes sluggish and inactive your whole health suffers, and the only way you can get back to feeling right is to make your liver right.

This you can do by the use of Milburn's Laxa-Liver Pills as they will stimulate the sluggish liver, clean away all waste and poisonous matter from the system, and prevent, as well as relieve, all complications arising from a liver that has become inactive.

Mr. E. Hazel, East Florenceville, N.B., writes—"I had been troubled with my liver and felt drowsy and tired all the time, and was unable to do my work with any comfort. I took your Milburn's Laxa-Liver Pills and today I am a different man, and would not be without them in the house."

Milburn's Laxa-Liver Pills are 25¢ a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

A Little Trip to B.C.

In our correspondence we notice a decided increase in the number of women who say they are insisting upon made-in-British Columbia products. It has given us an idea to have a woman go around visiting homes here and there to get a kind of sketchy survey of the proportion who ask for local goods.
We speak your indulgence should she call on you.
