

Pure and Sweet as a Spring Morning

The Sunlight purity guarantee of \$5,000 has never been equalled. Because it is the purest soap, Sunlight is really the most economical you can buy.

THAT'S the thought that comes to you when you see an array of clothes washed with Sunlight. White things are snowy white—not gray and dull. Colored things are bright—everything seems to shine with the purity that comes only from absolute cleanliness.

And there's no wonder in that because the very ingredients in Sunlight Soap are themselves the products of tropical sun, breeze, flower and fruit. Its blend of natural oils makes Sunlight the most efficient laundry soap in the world.

There's new leisure on wash day if you use Sunlight. Buy a cake today, read the directions and see for yourself.

DYSPEPSIA WAS SO BAD COULD HARDLY EAT ANYTHING

Mrs. C. Stone, Nanticoke, Ont., writes:—Some time ago I had a very serious attack of dyspepsia, and was also troubled with gas on my stomach. I could hardly eat anything, and very often had pains after meals. I had used different medicines, but they didn't seem to do me any good. At last I happened to run on the track of Burdock Blood Bitters, and after using it for a short time I felt a lot better. I continued its use until I was completely relieved and now I am ready to recommend it to anyone troubled as I was.

Burdock Blood Bitters is manufactured only by The T. Millburn Co., Limited, Toronto, Ont.
