PROFESSIONAL FOOTBALLERS VISIT EUROPE

Teams From England and Scotland Travel in Different Countries Including Germany

LONDON, July 26—(By Canadian Press).—English professional football teams swarming over the continent of Europe, ambassadors of Britain's most popular pastime to countries where hitherto competitive sports were almost unknown, is the spectacle enjoyed this summer as a consequence of many clubs of the English Football Association undertaking instructional tours. No fewer than nine first class teams have had engagements in places as far removed from each other as Copenhagen and Madrid, as Vienna and Corunna. The invasion has penetrated even to South America where Plymouth Argyle took several falls out of the best in the Argentine.

Newcastle United, Everton and Dundee, of the Scottish First Division, traversed Spain. In the land of the Dons, it is reported, soccer is rapidly ousting bullfighting. The toreadors are playing to empty houses; the matadors have discarded their colorful trappings and are now turning out in sneakers and shorts; the senoritas are bobbing their hair and learning to razz the referee where formerly they pelted the matinee idols of the bullring with roses.

Peck of Trouble

The British teams did not have it all their own way, for the Madrid Olympics eleven took the English Cup holders into camp by 20, while the Catalans trounced Everton at Barcelona by 2-1. At Corunna, the Scotsmen from the jute town ran into a peck of trouble, like their fathers before them during the Peninsular War. The game with the Spaniards ended in a free-for-all. A brief, but significant, report of the contest says that "the game was furiously contested and great excitement prevailed. The vigorous tactics of the visitors seemed to upset the home team."

West Ham repeated their visit of last year to the Rhineland, but on this occasion their contract called for no games with the British Army of Occupation. They took on a German team in the Cathedral City, the Koelner Club. The naivete of the Teutonic officials furnishes a refreshing sidelight on the game, for in fixing the price of admission they decided to admit the British spectators at about one-fifth of the ordinary prices "as they cannot afford as much as the Germans." Price of admission was between two and a half and three dollars. West Ham were quite successful in their tour and defeated Mannheim and Frankfurt, each by a score of 4-0.

Trounce Teutons

Bolton Wanderers also participated in the athletic invasion of Germany and handed a sound trimming of 4 goals to nothing to the strongest association football club in the Fatherland, Nuremberg.

That Denmark produces some fine soccer players is attested by the defeat that Copenhagen handed to both Swansea Town and Clapton Orient in the course of an incursion by these clubs to the Baltic countries. In each case the winning margin was by one goal.

Charlton Athletic had better fortune in Belgium and carried off two games, one at Liege and the other at Verires.

Cardiff City went far afield and played in three countries, at Prague, the capital of Czecho-Slovakia, at Vienna and at Berlin.

NELS JEPSON.

The Canadian light-heavyweight wrestling champion of Edmonton, who will meet Jack Burns, of Spokane, in title bout here, on August 5.

Sport Chat

Delegations of athletes from all the nations of the world participating in the Olympic games were recently received by president Doumergue. The athletes marched past the president in the gardens of the Elysee Palace. Each delegation was presented to the chief executive by Count Clary, president of the French Olympic games committee, and Baron Pierre De Coubertin, president of the International Olympic committee. M. Doumergue presented the athletes with autographed photographs.

Luis Lacey, whom English experts considered to be the best man on their international polo team, has torn the muscles of his right shoulder, so that he will be unable to play for at least another week, and probably longer. This means that he probably will not get any more practice before the ponies leave for the United States. The British regard this fact as a misfortune from the standpoint of team efficiency. He, however, will be able to play in the United States, since the team will not sail until August 9.

Driving a twelve-cylinder automobile, Rene Thomas Sunday, recently covered a mile from a flying start in 25 12-100 seconds. This is said to be a new world's record.

STUART SHIELD GAME IS WON BY SONS OF CANADA

Football Match Lacks Ginger Because of Heat; But Spectators Numerous.

The fourth game in the Stuart Shield series, played between the Sons of Canada and the G. W. V. A., on the Acropolis Hill grounds last night, resulted in a win by 2 goals to 0 for the Sons of Canada. There was a good crowd of spectators on hand but the weather was too hot to permit of the teams playing a hard game.

The Sons of Canada scored their two goals in the first half and when kicking downhill, S. Erskine and McDougall both scoring one apiece. Both goals were unearned on the play at the time.

Second Half.

The Veterans had the best of the play in the second half, but did not take advantage of their opportunities. Mitchell, Norwood and Russell, in the forward line, missed good openings.

The teams took the field, as follows:

Sons of Canada — Gawthorn, goal; V. Menzies and H. Menzies, full backs; G. Mitchell, J. Mitchell and H. Astoria, half backs; A. Mitchell, R. McDougall, S. Erskine, E. Warren and E. Smith forwards.

G.W.V.A.—Knox, goal; Lord and Larton, full backs; E. Findlay, W. Murray and F. Hunter, half backs; Robertson, Russell, Norwood, W. Mitchell and Johnson, forwards.

T. Jones refereed the game, and Clapperton and R. Howe officiated as linesmen.

NELS JEPSON DUE HERE NEXT WEEK

A telegram was received by Owen Fisher this morning from Nels Jepson, light-heavyweight champion wrestler of Canada, Edmonton, to the effect that he would arrive in the city either on July 30 or August 1 to make preparations for his title bout against Jack Burns on August 5. Immediately upon arrival the Canadian champion will go into strict training at a suitable place yet to be selected.
