Health Restored by The Fruit Treatment

Fourteen years ago, Mr. James S. Delgaty, of Gilbert Plains, Man., was a nervous wreck. His system was shattered by Nervous Prostration, and he was reduced in weight from 170 to 115 pounds.

He wrote on May 15th, 1917, "Every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' I began to mend at once. After using this fruit medicine for three months, I was back to normal. I have never had such good health as I have enjoyed the past six years. We are never without a box of 'Fruit-a-tives' in the house."

Writing again on September 27th, 1923, Mr. Delgaty says, "I stand by my letter to you in 1917—I still recommend 'Fruit-a-tives.'"

"Fruit-a-tives" is a complete fruit treatment—being made of the juices of fresh ripe fruits and tonics.

25c. and 50c. a box—6 for \$2.50—at druggists or sent postpaid by Fruit-a-tives Limited, Ottawa.

A communication from the school board asking that the city engineer survey the site east of Borden Street school now proposed to be used for the erection of a playshed was referred back to the board by the city council last night. Ald. Perry expressed the opinion at last night's council meeting that the city should put into effect a building bylaw which would prevent the building of shacks indiscriminately within the fire limits.
