DEVIL'S BIBLE PHOTOGRAPHED

Has Full Page Picture of His Satanic Majesty with Cloven Hoofs and Horns

STOCKHOLM, May 12.—One of the most remarkable books in the world, called the "Devil's Bible" and also the "giant of books," has just been brought out of its hiding place in the Royal Library of Stockholm, following a request for a photostal copy from the city of Prague, where it was captured at the Swedish conquest in 1648.

It was written 800 years ago, and legend says that it was completed during a single night by a monk who was doomed to die. He had to have assistance from the devil, however, and in gratitude made a full page portrait of him, horns, cloven hoofs, and all, which has ever since remained in the book.

The book is probably the largest Bible in the world, the pages being a yard high by a foot and a half wide. It is written on 309 parchment sheets, for which, according to tradition, 100 donkey hides were required. The lettering is beautifully illuminated in gold and bright colors.

WOMAN TATTOOED TO SHOW SHE WAS HIS

FORT EDWARD, N.Y., May 12.—Deserted by Floyd Pellitier, after he had tattooed her to show that "she was his for life," Mrs. Hazel Miner Harris, eighteen years old, was arrested recently by the police who, sought Pellitier for the burglary of a local store.

Mrs. Harris told the police that one day, when he had professed his deep love for her, Pellitier lashed her to a tree, tattooed his initials upon her cheek and tattooed arrows on her forehead and nose. She said there was no need to tie her, for she would have submitted to the tattooing to prove she "intended

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring their intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series. "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 4,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (irrigable) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year. Title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

ENGLISH NEWSPAPERS ON FRENCH ELECTION

Surprise is Expressed at Outcome but it is not Attributed to Ruhr Policy

LONDON, May 13.—London papers today expressed general surprise over the French election result. It is mostly attributed to domestic conditions, the fall of the franc, high cost of living and increased taxation rather than to Poincare's Ruhr policy.
