BIG BOWLING TOURNAMENT

Thirty-Six Day Event Immense Sporting Proposition—10,685 Contestants for $105,000

CHICAGO, Feb. 23—The greatest tournament in the history of the American Bowling Congress started here today and will continue for 36 days, with a record breaking list of 2,131 teams—10,685 individual pin smashers—entered in the competition for prize money running close to $105,000.

Measured from the standpoint of number of contestants, the event is the largest sporting proposition ever held. It is probable that no other event in the world enlists as many contestants—not even the Olympic games in which teams from all over the world compete. The major pin event will be decided in the 132nd Regiment Armoury on Chicago's west side, and 28 especially constructed alleys have been installed to handle the army of pin spillers.

NEW YORK, Feb. 22.—In the proposed Broadway Temple — a $4,000,000 church, dormitory and apartment building—to be built here, the Rev. Dr. Christian F. Reisner, pastor, proposes to create a courting center for the young people of upper New York.

Dr. Reisner explained his plans for stimulating matrimony at a recent luncheon of the Women's Auxiliary of the Temple committee. He said he hopes that the young women of his parish and the community in the Church's social rooms, that many of them may marry and move into the church's apartments and there bring up families of children to use the Temple's playrooms and roof-garden day nursery.

WE'LL BACK VICKS AGAINST ANY COLD IN PRINCE RUPERT

We'll back a jar of Vicks VapoRub against any cold in Prince Rupert and vicinity.

Here's our liberal offer.

Get a 50c jar of Vicks at your druggist's. Use all or part of it. If you are not delighted with the results mail the top of the carton to Vick Chemical Company, 344 St. Paul St., W., Montreal, and we will gladly refund the purchase price.

We make the above offer because Vicks certainly does give relief in the majority of cases.

Mr. Herbert C. Mason of 3118 Albert St., Regina, Sask., writes: "I have used Vicks VapoRub and am greatly pleased with the result. By rubbing it on my chest at night when I felt a cold coming on, I have managed to evade colds this winter. I would certainly recommend Vicks to all."

Vicks is the external, direct treatment for all cold troubles—rubbed on—absorbed like a liniment—and, at the same time, inhaled as a vapor.

At all drug stores 50c a jar. For a free test size package, write Vick Chemical Co., 344 St. Paul St., W., Montreal, P.Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.
