VICTORS AGAIN AT BASKETBALL

Sons of Canada Won Over Colts in Closely Contested Game

In a closely contested game which was just as thrilling to the fans as any of the many interesting ones that have been played already this season, the Sons of Canada were successful last night in overcoming the jinx that has followed them as far as the Colts have been concerned and they scored their first victory over that team by a narrow margin of 34 to 30. Dingdong basketball was played all the way with the Colts leading in the early stages and the Sons of Canada getting the few points necessary to win towards the end. At half time the score was 18 to 12 in the Colts' favor.

M. Budenich refereed and the teams lined up as follows:

Colts—E. Zetterman, W. Mitchell, R. Bartlett, D. Frizzell and R. Smith.

Sons of Canada—H. Menzies, V. Menzies, A. Mitchell, G. Shenton and C. Thompson.

Intermediate League

The Colts scored another easy victory over the Regiment in the Intermediate League, the final score being 25 to 6. A Mitchell refereed.

They plan to sail from the Pacific Coast in January, stopping at Honolulu, then going to New Zealand, Australia, Japan and continuing to Europe, where they will appear in Germany and Sweden among other countries.

HOCKEY NATIONAL GAME IN THE WEST

In Western Canada the opening of the hockey season corresponds to the commencement of the baseball season in the United States says the Edmonton Journal. Not forgetting the "roarin' game," puck-chasing is the favorite winter pastime of young Canadians, and the major events arouse a general interest beyond that of any other class of athletic contests. It is a sport alike suited to the climatic conditions of the country and to the development of strength, skill and staying power on the part of the players. Aside from the entertainment it provides for the spectators, the game is well worth encouraging in the interests of a hardy Canadian manhood. Canadian hockey teams must hold world honors against all comers, and in future they will be largely recruited from the boys who learn the art and gain the dexterity on the ponds and rinks of the prairie provinces.
