Jimmy Williams, engineer of the gasboat Rounder which plies on the Fraser River between Prince George and Quesnel, is leaving Prince George for Boston where he has been appointed trainer for the professional hockey team which will represent that city in the National Hockey League this season.

Battling Siki lost the judge's decision to Young Marullo in a twelve round bout in New York City last Friday night. The decision was unpopular with the crowd. Siki weighted 173 and his opponent, 165 3-4.

The sun has set on Angel Luis Firpo's aspirations to be heavyweight boxing champion of the world. The curtain fell when Charley Weinert outpointed him in Newark last week. When the Wild Bull gets his entanglements with the law in the United States straightened out, he will probably leave America—never to be heard seriously of again as a world championship contender.

Dunc Munro, captain of the new professional hockey team in Montreal, is the highest priced hockey player in Canada. It is reported that his hockey earnings plus the income from the business which has been arranged for him to operate will run well over \$25,000 for three years.

The Great War Veterans are hoping to wrest first place in the first division billiard league to-night from the Prince Rupert Billiard Parlor, present leaders. Each team having played one tournament with the Grotto, this will be the first meeting of the two. They seem to be evenly matched and the disinterested fans are speculating on the outcome while the supporters of each team are confident of victory. The Veterans have a lead of 67 to overcome in order to take first place.

SOFTBALL PLAYERS
TORONTO ORGANIZE

Association Formed Embracing
About Ninety Per Cent of
Girls

TORONTO, Nov. 18.—(Can-
adian Press).—Just about 90 per
cent of the girl softball players
of Toronto are now busily en-
gaged in completing the details
of a new organization, the To-
ronto and District Ladies' Amate-
teur Softball Association. This
is, beyond question, the greatest
single step that has ever been
taken in girls' softball in the Do-
minion. It is in the nature of a
declaration of independence on
the part of the girls. And it has
the loyal support of virtually all
the fine young men who have
helped the girl ball players in the
past.

The association will be run by
girls. Connie Hennessey, the
newly-elected president, says:
"We girls can run our own
sports, but we need the advice of
the many men who have helped
us so far. These men have done
great work in our behalf. They
are doing still more for us now,
and we appreciate it."

"Do you follow the advice of
Polonius: 'Neither a borrower nor

lend."
