**TERRACE PARENT
TEACHERS MEETING**

Varied Program Included Discussion on Religious Teaching in Schools

TERRACE, Nov. 19.—The regular monthly meeting of Terrace - Kitsumgallum Parent-Teachers' Association took place last Thursday in the G.W.V.A. Hall. Business occupied the main portion of the evening. After the reading of the minutes, the president, Mr. Parsons, put before the meeting a resolution regarding religious instruction in schools, on which the Federation of P.T. wish the various branches to vote. It was proposed that duly authorized ministers of the various denominations should be in charge of such instruction. It was decided to leave the matter over for further consideration and discussion at the next meeting.

The matter of serving cocoa to the pupils again this year was discussed. Mr. King, the caretaker, consented to make the cocoa and a committee was appointed to draw up a formula by which it is to be made.

The matter of a Christmas Tree was brought up. It was decided to leave the matter to the community but the secretary was instructed to call a meeting of all interested in the matter.

Miss Gladys Kenney and Miss Mary Wilson gave one of their charming duets which was so enthusiastically received they gave an encore.

Refreshments were served followed by one of the social half hours which have made the P.T.A. so popular.

The meeting then closed with the singing of God Save the King.

Prince Rupert Women Register Interesting Vote to Save Money and Lessen Work

It is a sign of the times that women should demand more authority in their homes. Not that they want all their own way but that when comfort and economy are at stake they are usually better judges than their husbands.

They are at home all day and know more about the things that go to make for the comfort of the home than the husbands who come home at night expecting everything to be just so. This is why so many Prince Rupert ladies insist on having Nanaimo-Wellington coal. They have made a study of coal and have discovered that Nanaimo-Wellington is far superior to its competitors. Very little lasts a long time. If drafts are shut off at night the fire will be there in the morning. No rock, very little ash and no slack are other points in favor of Nanaimo-Wellington.

This famous coal is sold only by Albert & McCaffery. They have their own team and trucks and assure prompt service. Order direct from them and be sure you get the only coal—Nanaimo-Wellington. Their phone numbers are 116 and 564.

**JUDICIAL SEPARATION
BECAUSE MAN WOULD
LIVE WITH ANOTHER**

LONDON, Nov. 19.—A decree of judicial separation was granted to Mrs. Alice Gertrude Kirke of Tetworth, Ascot, from her husband, Percy St. George Kirke, civil engineer, on the ground of desertion. It was shown that Kirke was an unusually religious man and in 1916 he joined a sect known as the Pentecostal Christians, who held meetings in the drawing room when members fell into trances and professed to have visions and messages from heaven. Baptism was celebrated in the bathroom and nightly communion services in the kitchen.

The husband became infatuated with a servant girl named Martha, who joined the sect, and attended the meetings with him. The wife dismissed the girl but took her back later at the instance of her husband. Martha became the man's secretary and every evening they were closeted together in the study and eventually they went away and lived together, still professing to live a deeply religious life.

**You can buy
Independence**

—financial independence in old age and freedom from worry in the present,—by making small payments nicely adjusted to your age and circumstances.

No good citizen would sell his independence if he knew it, but each day that he lives without providing for the future, he is truly selling—on the installment plan—his most precious possession.

Some day he will have to surrender his independence, or his family may have to make good his default when he dies.

Life Insurance is the solution of this problem,—safe, scientific, secure in every way.

Why not call in the Life Insurance Man and discuss this vital matter today?

**UNIFORM DRESS FOR
HIGH SCHOOL PUPILS
IS AGAIN PROPOSED**

TORONTO, Nov. 5.—Girls attending high schools and collegiate institutions in Canada should all be dressed alike. Such was, in effect, the recommendation put forward by the provincial council of women of Saskatchewan to the National Council during their annual convention just closed. The outlook for uniform attire among Toronto school girls is remote, however. Trustee Mrs. Groves de-

clared uniform dress would at the tightly corseted figure of never come in Toronto. "Did you the school girl of the Victorian ever hear of girls more sensibly era and compares her with the and neatly dressed than those simple, graceful, free and easy who are now attending the Toronto high schools?" asked the trustee. "Truly, when one looks come to pass."
