PROBABLY MODERATOR OF GENERAL ASSEMBLY

Dr. Clarence MacKinnon Likely to be Chosen by Presbyterians this Week

OWEN SOUND, June 3 .- (By Canadian Press) -- Rev. Dr. Clarence Mackinnon, principal of the Presbyterian college, Halifax. will most likely be elected moderator of the Presbyterian General Assembly when it convenes here on Wednesday night of next week. The choice of the presiding officer is made by open vote and any commissioner is free to place in nomination any other member, but it is widely agreed in the church that Dr. Mackinnon! is to be honored this year, and he will not only guide the deliberalions of the body through what may prove to be in some respects a stormy assembly, but he will spend the ensuing twelve months in a tour of visitations of synods, presbyteries and churches. The coming moderator was

born in Canada, a son of the manse. He was educated partly in Scotland and has spent his ministerial life in two provinces. Nova Scotia and Manitoba. He began in Nova Scotia and was | called to Westminster church, Winnipeg to succeed the veteran Rev. Dr. Pitblado. In Winnipeg! there was built during his pasiorate one of the finest ecclesliastical edifices in the communion, and he is still a frequent and welcome visitor to that church. From Winnipeg, he was called to his present post as head of the theological college of the de-Woldemar Rosin and family Building across from the C.N.R. nomination in the maritime provinces. He has canvassed the east thoroughly for candidates Lloyd Belton, who has beer for the ministry and there were appointed as assistant fire ranger, 115 Presbyterian students in the left last week for the Babine to college residence in the past year with thirty-five in the theological class.
