POLO AT BALTIMORE

BALTIMORE, Dec. 10.—Encouraged by attendances running into the thousands at polo games played at Pikesville, a suburb, last summer, the organization of a polo association in the vicinity of Baltimore has been begun by persons interested in the game.

TERRACE PEOPLE TO SKATE THIS WINTER

Rink Being Made on Tennis Courts by People of Fruit Town

TERRACE, Dec. 10.—Skating is to be the thing in Terrace this winter. A rink is being constructed by the Athletic Association on the site of the old tennis court and a dance is being held Friday to help defray the expenses.

Being in a central location and something badly needed in town it is expected to be well patronized.

GIBBONS SCORES A TECHNICAL KNOCKOUT

Beat up Negro Fighter and Bout Stopped to Save Him in Fifth Round

NEW YORK CITY, Dec. 10.—Tommy Gibbons, light heavy-weight, scored a technical knockout over Kid Norfolk of Baltimore in the sixth round of a scheduled fifteen round bout last night. Gibbons made a quick job of his negro opponent, cutting him badly and then delivering the finishing blow, which rendered Norfolk too helpless to continue. The referee then stopped the bout.

Norfolk was on the floor three times before the fight ended. Gibbons came out of the melee undamaged.

Sport Chat

Particular interest will be attached to the first division Billiard league tournament tonight between the Great War Veterans and Prince Rupert Billiard Parlor. It will be the last tournament of the first half of the season's schedule. The Veterans ever since the opening of the season, have been giving the Billiard Parlor a good close run for first place honors and are now but 25 points behind in the aggregate score. At this time, their chances of overcoming this lead and capturing first place seem almost as good as the chances of the Billiard Parlor to hold it. All five games tonight will be watched with keen interest. Three of the first division players have yet to suffer defeat this season. They are Art Eason of the Billiard Parlor team and Col. McMordie and Sergeant Jebson of the Veterans.

The teams are matched as follows:
 Col. S. P. McMordie (Vets.) vs. George McIlmoyle (Billiard Parlor).
 Sergeant Jebson vs. Charles Balagoo.
 Fred Pyle vs. Fred Stephens.
 Percy Tinker vs. B. Jelich.
 Alex Volume vs. Art Eason.

It is likely that Canadian soccer football authorities will think twice before they again encourage an Old Country soccer team to tour the Dominion. The last visit to Canada of the Corinthians, despite the careful management of men who had the good of the game at heart, resulted in a loss of \$2,630. Perhaps on account of the indifferent showing made by the visitors, the gates were not nearly as large as had been anticipated. Quebec was the only province that lived up to its guarantee. It was fortunate that expenses were some \$6,000 less than had been anticipated, else the loss would have been much greater. Dominion Football Association officials decided to assume the loss and not hold the provinces to the guarantees. Had each province lived up to its guarantee, the Dominion Football Association would have realized \$8,000.

Four of the five games in the second division billiard fixture last night between the Canadian Fish & Cold Storage Co. and St. Andrew's teams were played and the score stands 556 to 499 in favor of the latter. The fifth game between W. Parr (Cold Storage) and Joe Brown (St. Andrew's) is to be played today. The four scores last night were as follows:
 J. May (Cold Storage), 150; J.

A. Allan (St. Andrew's) 143.
 A. Bales, 101; J. Andrew's, 150.
 George Kelsey, 150; M. M. MacLachlan, 143.
 S. Darton, 98; S. D. Macdonald, 150.

MANY CLAIMS TO VALUABLE LEGACY
 Correct Use of Famous Title has Encouraged Pretenders
 About the year 1880 the pioneer prospectors of British Columbia discovered a remarkable coal. After many trials and tests it was positively established that this coal represented the acme of economy, efficiency and comfort. To this fuel they gave the new famous name of "Nanaimo-Wellington," representing all that was best in coal.
 No sooner was it found that the public insisted on getting this Wonder Fuel than other coals were put on the market under very similar names. So much so that the public were at a loss to say which was the genuine and which the imitation. Of course it was easy after a trial—a single sack will prove it—more lasting and more powerful heat from a few shovelfuls, hardly any ash, no clinker or rock, all these points stand out when you make a practical test in furnace, fireplace, heater or cook-stove.
 This famous Nanaimo-Wellington coal is sold only by Alber & McCaffery to whom all orders should be phoned direct. Prompt delivery service given by their own teams and trucks. Their phone numbers are 416 and 564.
