## MANY HERE POISON THEMSELVES DAILY

Carelessness Results in Liver Poisoning, Indicated by Headache, Gas, Biliousness, Sour Stomach — Dr. H. S. Thacher Aids Many.

Eating too much and too rapidly clogs the liver and weakens it. When in this condition, the liver fails to supply the juices so vital to proper digestion and elimination—and it fails to filter and purify your blood.

The result is self-poisoning which makes you feel dull, tired and run-down.

This explains why a sluggish liver is attended by such symptoms as constipation, biliousness, sick-headaches, sourness and gas on a weak stomach, loss of appetite, pains in the back and sides, and a nervous, run-down condition—symptoms that lead to the dangerous and expensive sick-bed unless corrected in time.

Dr. H. S. Thacher, noted medical practitioner, perfected a wholesome vegetable prescription to keep the liver healthy. It is giving quick relief and renewed strength, energy and vigor to numbers here. This prescription, known pharmaceutically as Dr. Thacher's Liver & Blood Syrup, doesn't cost much, pleasant to take and contains only ingredients that are known to physicians for their corrective and health-building properties.

Try this great prescription, yourself. Notice the quick difference in the way you look, eat, sleep and feel. You will be completely satisfied; otherwise, there will be no cost.

Dr. Thacher's Liver and Blood Syrup is sold and recommended by Ormes Ltd., Cor. 3rd Ave. and 6th St., Prince Rupert, B.C., and by leading druggists in each city and town.

## THE WHOLE FAMILY WAS LAID UP WITH SEVERE COLDS

On the first appearance of a cough or cold our advice to you is to get rid of it before it has a chance to grow worse; gets settled on the lungs, and causes bronchitis, pneumonia, or other serious lung troubles.

Dr. Wood's Norway-Pine Syrup will immediately relieve the cold or cough on its inception. Mrs. David Ayres, Kearney, Ont., writes:—"Our whole family was laid up with severe colds, and we didn't seem to be able to get any relief from anything we used until, one day a friend came in and told me we would be sure to get rid of our colds if we used Dr. Wood's Norway Pine Syrup. I decided to take her advice, and in no time our colds were all gone."

Now, knowing the value of your remedy, we will always keep it on hand so as to have it in case of emergency." Dr. Wood's Norway Pine Syrup is 15c a bottle; large family size 60c; put up only by The T. Millburn Co., Limited, Toronto, Ont.

### What Children Like

Most children are fond of tender, juicy, fresh vegetables, creamed. Use Carnation for richness. Add the fat value of this pure cream milk to the vegetables. Remember, it is twice as rich as ordinary milk.

MARY BLAKE,  
Domestic Science Department.

You can dilute the double-rich contents of this tin until the quart bottle overflows with pure milk.
