SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

HIS EXPERIENCES AS ALDERMAN

Ald. S. P. McMordie Addressed Rotary Club Yesterday Afternoon

At the Rotary Club luncheon yesterday afternoon, Ald. S. P. McMordie gave a breezy address on his experiences as an alderman. In opening his talk the speaker said that as soon as a man entered the service of the city he was treated as a joke by most people and appeared to at once put on the "cap and bells."

It was up to the electors in the forthcoming municipal election to get together and put in a good council. Speaking of past councils they all seemed to have been good councils, even if he had not been one of them. Speaking as an alderman with one year's service, Ald. McMordie said that the work of the council was not only done by the council as a whole but largely in committee.

After having been sworn in as an Alderman he had not thought it incumbent upon him to do a lot of talking for a start but he soon noticed that certain officials of the city seemed to like standing on their feet and saying something. After a while, however, he had compiled a summary of how his time was taken up in the council chamber and had figured it out by the number of words each member of the council uttered. This he had passed around in the form of a joke but it seemed to be taken seriously by certain members of the council and a marked improvement was soon noted.

Mill Rate Reduced

Speaking in a more serious vein, Ald. McMordie stated that he had asked several prominent businessmen in the city what the general mill rate of the city was but he failed to get an answer. As a matter of fact, the present city council had reduced the mill rate in the past year from 19.99 to 14.83, a reduction of 25 per cent. The speaker appealed to the members of Rotary and the public generally to be more lenient in their criticisms of city officials and city matters and to get the facts of the case before passing comments. In voting at the forthcoming municipal elections, Ald. McMordie entreated the voters not to consider personalities when casting their ballot but to consider the intelligence of the men up for election.

HERMIT'S DANCE WAS DELIGHTFUL AFFAIR

New Year Was Fittingly Ushered in by Young People Wednesday Night

The Hermit's dance held in the Boston Hall on New Year's Eve was a distinct success. The splendid decorations were the subject of much favorable comment. An arch of cedar boughs and colored balloons festooned over the lights gave a delightful effect while the orchestra stand was prettily decorated with colored streamers.

Some 60 couples attended and thoroughly enjoyed the many moonlight and novelty dances. Bright colored papers hats were distributed to all the dancers, thus adding an additional touch of brilliance to the gay scene.

The dancers welcomed the advent of the New Year in right royal fashion by the blowing of whistles and trumpets and the serpentine dance reminded one of the gay scenes so often pictured in movies.

Art Easson's orchestra, comprising Art Easson, Miss St. Cyr, Kenny Rood, J. Prevost, and Geo. Rorie Jr., furnished lively music.

A delicious sit-down luncheon was served soon after midnight, after which dancing continued until 3 a.m.

The committee responsible for the success of the evening consisted of Art Easson, Babe Fortin, Dave Balfour, Ralph Smith, Norris Pringle, Douglas Stork, Geo. Tite Jr., Eddie Smith, Geo. Shaw, Geo. Mitchell, W. Mitchell and Eddie Zetterman.

Eddie Clapp proved himself a past-master at punch mixing and was one of the popular young men of the evening.
