#### June Is Always Wonderful Month.

June is about here and that is the beginning of summer. isters and elders who have been James Russell Lowell, the famous American poet, wrote:

What is so rare as a day in June? Then, if ever, come perfect days. Then heaven tries the earth if it be in tune, · And over it gently her soft ear lays. Whether we look or whether we listen We hear life murmur or see it glisten. Every clod feels a stir of might-A something within it that reaches and towers And searching blindly above it for light, Climbs to a soul in grass and flowers.

June is the month when summer is young and lovely. is the time of year when we are looking for warmth and sun-continuing church. shine and the outdoor life and when all nature conspires to bring joy.
