DENUNCIATION OF PERSON WHO POISONS

Ketchikan Editor Lets the Vials of His Wrath Overflow

(Ketchikan Chronicle)

In Ketchikan there is apparently one individual so loathsome that he cannot be classified by words. That is the scoundrel who last week poisoned the dogs, pets nine in number, all owned by little boys and girls who loved them as only children can love these animals.

No doubt the individual who perpetrated the deed is a narrow gauged person who would look with horror on a game of marbles played for keeps. He couldn't be anything broader gauged for if he was he would have too much consideration not only for the children but for the dog.

Of course he heard, but forgot, the tale made in Ketchikan by the late beloved Warren G. Harding, president of the United States. And yet his words, ringing forth from the platform at the corner of Main and Dock streets are hard to forget, when he said: "I love a dog." It was a simple sentence, yet it portrayed character, loyalty and love.

A man who would poison a boy's dog has a soul so sour, a mind so shriveled, a heart so impure that he should live on a desert island, having for his only companions those proverbial foul birds of Patagonia.

THE COUGH OR COLD THAT SETTLES ON THE LUNGS IS HARD TO GET RID OF

These are the kind that are dangerous; the kind that weaken the lungs, the kind that allow the germs of consumption to get a foothold in the system.

Mr. John E. Luloff, Golden Lake, Ont., writes:—"Last year I had a cold, and a cough which seemed to stick on my chest. I tried different preparations, but they did not seem to help me any. I was advised, by a friend, to try

DR. WOOD'S NORWAY PINE SYRUP

and when I had taken a few doses I began to feel that it was doing me good, so I kept at it and inside of a week I was relieved of my trouble."

"Dr. Wood's" has been on the market for the past 35 years; you don't experiment when you buy it; put up only by The T. Milburn Co., Limited, Toronto, Ont.

ROY CLOTHIER HAS MINE IN BOUNDARY

Former Stewart Man and Associates Acquire Property at Beaverdell

R. L. Clothier and associates of Victoria have obtained control of the Revenge mine at Beaverdell in the Boundary country and immediate mining operations will be undertaken according to announcement in the south by Mr. Mr. Clothier who is well known in the Stewart district. The Revenge adjoins the Sally and Bell mines, two rich and steady producers for a number of years. It is a silver-lead proposition.

GUNNING FOR DOGS AT ATLANTIC CITY

ATLANTIC CITY, N.J., Mar. 4.—Alvin Eberhardt, 70-year-old deaf hermit, went gunning for dogs recently with a .38 calibre pistol in his belt. He met Miss Lucy Weeks, standing in front of her home with a collie dog. Eberhardt shot the dog.

After being forcibly disarmed and arrested by a policeman, Eberhardt told a city magistrate that "everybody was setting their dogs on him and he had been bitten five times in a week."

EDUCATION AND RELIGION CONNECTION WITH CRIME

Lack of Character Building One Cause of Men Being in Jail, Prisoners Agree

LOS ANGELES, Feb. 13.—Surveys among prisoners in the Los Angeles county jail indicate that there is something wrong with present educational and religious methods, in the opinion of Raymond I. Turney, director of the Los Angeles Crime Commission. He expressed this view at a recent meeting of the Southern California Academy of Criminology.

Seven per cent of the inmates of the county jail, Mr. Turney said, were college graduates, as against 6½ per cent in ordinary life; 12½ per cent of the prisoners had college training; 45 per cent were high school graduates, compared with 25 per cent outside the walls.

All the prisoners agreed, added Mr. Turney, that there had been a lack of moral training and a defect of character building training in the schools, and that the same thing was true of the religions, a majority of which were represented.

Mr. Turney declared that most of the prisoners concurred in the belief that habitual criminals should not be allowed to bring children into the world. All believed in punishment, he continued, but favored institutions where prisoners could be employed in producing some commodity.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.

"CYTHEREA"

(Goddess of Love). A modern romance with the [illegible] and love of springtime. A searching portrayal of the [illegible] in the lives and loves of men and women of today. A delightful photo-play to which beautiful sequences in natural colors add fascination. Cytherea, first goddess of the White Race, fairest of the fair, lives in every heart. From Adam till today all men have served her. Her rule is merciless. Cytherea, Venus, Aphrodite, whose spirits live in modern women who woo, win, love, make or break men. Alma Rubens—like Cytherea, beautiful, mysterious, [illegible] love. Irene Rich—like Venus, cold yet attractive. [illegible] womanhood. Constance Bennett—like Aphrodite, [illegible] fascinating. Love that turns to bitterness. Notable cast.

Lewis Stone, Norman Kerry, Charles Wellesley, Brandon Hurst, Alma Rubens, Irene Rich, Constance Bennett, Peaches Jackson and others.
