Military Training Camps to Open 16,000 Larger Than Enrolment of Last Year

NEW YORK, April 28. — With the 1925 Citizens' Military Training Camps still three months away, more than 25 per cent of the estimated quota attendance of 50,000 young men between the ages of 17 and 31 already has been enrolled, according to announcement by the war department. This is double the enrollment at this time last year, and this summer's quota will be 16,000 more than that of 1924.

Forty-two camps stretching across the continent from Fort McKinley, Me., to the Presidio of San Francisco, will be opened this summer for the basic course and the three advanced courses in which citizenship and physical training will be intermingled in the schedules with drill and instruction in the infantry, cavalry, field and coast artillery, engineers and signal corps branches of the military. Part of the camps run during the month of July and others during August, while Plattsburg, N.Y., will have two camps in succession.

The C.M.T.C. candidate is under no obligations except to spend 30 days of his time at one of the camps located near his home; the government meets the expense of carfare to and from the camp, clothing, equipment, meals, bedding, lodging and entertainment. The president's son or the millionaire's heir who sleeps by the side of the farmer's boy, marches beside him in the ranks and eats next him at the mess hall in this annual democratic leveller, pays the same amount for his 30 days' vacation and training, exactly nothing.

MOST OLD FOLKS REQUIRE A HEART AND NERVE TONIC

After middle age little sicknesses and ailments seem harder to shake off than formerly as the heart action becomes weak and uncertain and the nerves are not as steady as they were in the younger days.

Now is the time when all aged people who wish to maintain their health and vigor and retain their energy unimpaired should use

MILBURN'S HEART AND NERVE PILLS

Mrs. M. O'Connor, Whitestone, Ont., writes:—"I have been troubled, most of my life, with shortness of breath, palpitation of the heart, and fainting spells. I was advised, by a friend, to try Milburn's H. & N. Pills, which I did, and at once found relief, and I have never had a really bad spell since. I am 80 years of age and I always keep them in the house, and feel that with their help I will see many years yet. I always recommend them to anyone who is suffering from heart trouble."

Bake like you would a custard pie. This recipe is given by Mrs. C. J. K. of First Avenue West. It is lovely.
