

"It Carries Its Table On Its Back"

# Remington Portable

THE permanent baseboard of this machine makes it wonderfully convenient to use anywhere and under all conditions, at home or abroad. You can operate it equally well before your cozy fireplace or on your lap while seated on a log in the woods.

The Remington Portable is the most complete portable typewriter, with Standard four-bank keyboard—exactly like the big machines. Light, durable and compact; fits in case only four inches high.

Price, complete with case, \$77.50

### Here and There

The mineral, fish and land resources of British Columbia will again be extensively advertised at Wembley this year at a cost of \$18,000 or \$19,000, according to a statement by Premier Oliver.

The Universal Film Company is perfecting its plans for filming the Calgary Stampede this summer as part of a forthcoming production in which Hoot Gibson will star. This will involve an expenditure of about \$100,000.

Canadian exports to France in 1924 were valued at 482,826,000 francs as against imports from that country of 333,264,000 francs. There has been a marked increase in trade of late years which is attributed partly to the Treaty of Commerce and the propaganda work of the Canadian Pacific Exhibition train.

S. Frank Mussard of the South African Irrigation Association, Johannesburg, who has just completed an independent investigation of the agricultural conditions throughout Canada has stated that he is "perfectly satisfied with the possibilities Canada has to offer the right type of settler."

"Mountie" the lead dog of the famous Chateau Frontenac husky team realized \$1,200 during the Humane Society tag-day at Toronto recently. He collected on behalf of this organization throughout the city and the tag that was sold was decorated with his portrait.

Broadcasting of copyright songs in the United States is declared subject to copyright fees or royalties just as much as publication by other methods of performance. This decision, which has considerable bearing on the Canadian Copyright Bill now under discussion in Ottawa was reached as a result of a recent test case in the United States.

Approximately five millions dollars will be spent in maintaining and constructing new highways within the Province of Quebec during the present year. At present there are 2,586 miles of highway in the province stretching into all parts of Quebec and linking up with main roads in the U.S. and the sister provinces to the East and West.

According to a report prepared by the Merchants Exchange of Vancouver, forty-two regular steamship lines are now operating out of that harbor, the gross tonnage for last year being 14,473,518 which is over a million tons in excess of the 1923 figures. The Canadian Pacific Railway is now erecting a new pier there which will be one of the finest and largest on the continent.

The Campbell River Company of White Rock has purchased the entire holdings of the James Logging Company of Vancouver which include 35,000 acres of timber lands, containing over two billion feet of logs, a saw mill with a capacity of more than 50,000 feet of lumber a day, three large tugs and a complete logging outfit. A sum of more than five millions dollars is said to be involved.

Arrangements have been completed to ship 200 books by Canadian authors to be exhibited at Wembley this year. A special grant has been made by the Provincial Government of Quebec to provide artistic bindings for these books many of which will be by French-Canadian authors. That this is to be done is largely due to the initiative of the Arts, Science and Letters Society of Quebec City in co-operation with the provincial government.
