BASEBALL WAS FINE CONTEST

Sons of Canada and Sawmill Play to Draw in Ninth Inning

NEW CANUCK HURLER

One of the.. finest ..baseball games played here in years was the Senior League match last night between the Sons of Canada and the Sawmill which was called at the end of the ninth inning on account of darkness with the score standing three all.

Most of the runs were made in the first inning and the rest of the game was a pitchers' duel with the fields proving tight when their support was required. The Sons made their three runs in the first frame and the Sawmill made two. The boys from Seal Cove came through with the tying run in the seventh inning.

Lidstone pitched good ball for the Sawmill and allowed five hits with ten strike-outs. Schlenker, the new Canuck hurler from Seattle, proved himself a moundsman of some ability and had 15 strikeouts to his credit while eight hits were made off him. Fans could not help but conclude that the third team in the league—the Gyro Club—will now have to do something about its pitching department if it is to be in the running any further this season. The batteries for both sides did excellent work last night and there was also some nice field play. A large crowd witnessed the game.

The box score was as follows:

Sport Chat

With the game to-night between the Sons of England and the Great War Veterans the city championship football series for the Mobley Cup will be resumed after a week's suspension of the competition to permit of the Dominion Day Cup ties being played. The game should be an interesting one in view of the fact that the two teams are tied in second place and a win for either will give them an even footing at the top with the Callies at least as far as number of victories are concerned.

The line-ups are announced as follows:

Great War Veterans—S. Gawthorn; Menzies and Barton; Murray, G. Mitchell and Skinner; Norwood, Russell, Erskine, Long and Gurvich; spares — Findlay and Hunter.

Sons of England—Hattie; R. Howe and Kelsey; Tait, Bales and Hodgkinson; Farquhar, Dickens, Johnson, Hanson and G. Howe; spares, Cameron and Waugh.

GLEE CLUB DANCE PROVED A SUCCESS

The University of California Glee Club gave a dance last night at the Elks' Hall, their own nine-piece orchestra providing the music and the members of the club taking it in turn to play. The music was strictly up to the moment and consisted of fox trots throughout, according to the latest vogue in dances.

The Elks served refreshments and a most enjoyable evening was spent.

CALL TENDERS FOR GRADING

Plan For Doing Work on Fourth Avenue East Outlined at Council Meeting

The city council last night decided to call for tenders for the rough grading of Fourth Avenue East on which the plank roadway is to be replaced by mattress grading. The city itself will remove the planking, lay the mattress and put on the surfacing. Plans and specifications will be presented to the council next Monday night and it is the intention to have the tenders in by the Monday following.

WALK ON McBRIDE STREET CRITICIZED

George Sutherland Charges that it was Built for Express Benefit of City Foreman

Charging that the walk was an obstruction and of no use to property owners except J. McRae, the city foreman, George M. Sutherland of McBride Street had a letter before the city council last night protesting against a walk that had been put in by the city west from McBride St. to the rear of English Hill.

In the course of discussion that foilowed it was stated that there had been a walk there previously but it had been left up in the air when McBride St. was graded. Subsequently it had been lowered and rebuilt to some extent. The feeling was expressed that the sidewalk had been built for Mr. McRae's personal benefit until Ald. Perry announced that it was a convenience to the public and that the property owners had agreed to pay 50-50 for it with the city. The cost was $40, Ald. Perry said, in reply to a question by Ald. McKechnie who was inclined to think this was rather cheap.

Finally it was decided to reply to Mr. Sutherland explaining to him the arrangements that had been made.

UNFAIRNESS IN LICENSE BYLAW

City Council Takes Steps to Remove Injustice Against Vendors of Local and District Produce

There was some discussion at last night's council meeting regarding an anomolous situation under the Trades License Bylaw whereby those selling their own vegetable produce in the city were compelled to pay a $50 license fee while those selling produce other than their own were assessed only $10. The matter had been brought up at a meeting of the police commission and the treasurer had been instructed in the meantime to collect only $10. The members of the council were unanimous in their view that those handling local or district produce were certainly operating under an injustice as far as the present bylaw was concerned and the outcome was a motion by Ald. Casey seconded by Ald. Brown that a bylaw be introduced to cover all such license fees at a figure of $15.
