## SMITHERS HAS CELEBRATION

**Sports and Games During Afternoon Followed by Dance in Evening.**

**WINNERS OF RACES**

SMITHERS, July 4. — The Smither's Athletic Club held their annual sports day on July 1, and the event proved as successful as those held in former years, the weather being exceptionally fine for the day and the large crowd in attendance from all parts of the district thoroughly enjoyed the program that had been arranged for their entertainment.

Both the baseball and football teamsd were over from Telkwa to play matches with the local boys during the afternoon, the two games were won by the Smithers teams, the baseball score being 10 to 9 and football 2 to 1. The play throughout was of a high class and the games keenly contested.

While the games were on, and between times, A. G. Windt, with his pockets full of money for the prizes, and a crew of assistants, ran off a program of athletic events of over forty numbers, every one of which brought out a big list of entrants who made the competition interesting in every event.

The winners of the races were as follows:—

Vice President N. H. Kilpatrick and the officers of the club were kept on the jump all afternoon giving their attention to the demands of the crowds at the various booths, the country store being the main attraction for the children who continued to buy until its entire stock of several hundred articles was sold out. The hot dog stand, coin table, refreshment booth and the roulette wheel booth, with its big display of choice presents, were also well patronized.

**Dance in Evening.**

The celebration closed with a dance held in the Town Hall, that made a fitting ending to a most happy day. The refreshments were choice and plentiful, the floor excellent and the music, supplied by the Crescent Orchestra, of the best, making a combination that kept the merry makers dancing until a quarter after four in the morning.

## ROTARY MAKES PLANS FOR ITS HOLIDAY

**Boys' Games and Sports to be Feature of Event With Ball Game Between Rotary and Gyro**

There was a meeting of the committee of the Rotary Club having in hand the Boys' Field Day on Thursday next. Further arrangements were made for the baseball game between the Rotary and Gyro clubs. As some of the players have not been using the bat and mitt for some years it is expected that there will be interesting developments.

A football match has been arranged between the Booth School and Borden Street and a good list of prizes will be offered for boys' races.

There will be no races for girls although the girls will be admitted to the grounds free the same as the boys. Ice cream and other refreshments will be sold on the grounds.

## BIG PARTY IS AT KETCHIKAN

**Local Enthusiasts To Number of 180 Left Last Night on Princess Royal.**

A very good crowd of local sport enthusiasts and members of the local Elks paraded behind the pipe band last night to the Government dock, and there embarked on the Princess Royal for Ketchikan to take part in the celebration of the American National day. In all 180 persons left on the vessel.

The program as outlined consists of two baseball games at Ketchikan and two at New Metlakatla, and in addition the local Elks are putting on a midnight frolic tonight before the boat leaves for the return trip.

The program, which will be put on by the local organization is a very diversified one and includes dancing, singing, minstrell show and a number of skits, for which they have been practising for sometime. The pipe band which led a procession through the streets of Ketchikan this morning, also will play for the Bailey sisters as they dance the Highland Fling and render several other numbers. The members of the band, five pipers and four drummers, who were able to make the trip were—Jas. Sturgeon, Alex. McDonald, S. Leslie, Alex Bruce, Alex. Alvis, S. Currie, W. Hamillon, A. Mitchell and J. Kelly. The Minstrel troupe will consist of J. Cobb, G. Waddell, A. Mack and Alex. Mitchell, and these will be assisted by Misses Laura Frizzel, L. Fisher, Bailey, Jones, Johnston and Mrs. Larsen. Harry Astoria and E. Sabourin will sing and also dance, and Howard Frizzell and W. Mitchell will contribute with dances, assisted by several members of the company.

The program is a very good one and will doubtless prove a good drawing to the people of Ketchikan. The party expect to sail on the return trip about midnight tonight.

## Sport Chat

The New Madison Square Garden, now under construction in New York City, will have a seating capacity during boxing bouts of 19,500, durinc ice hockey 15,000, and during six day bicycle races, 14,500.

No one seems to have been successful as yet in introducing a game in which nearly everyone can take part. The tendency in sport is to let the other fellow do our playing for us. The growth of the professional has not always been a good thing for sport in that it has tended to eliminate many from the games, who, while not expert in their line, enjoy sport for the sake of sport and the general good it does for one's physique. It is a good thing for everyone to be able to play, even though not professionally, in some of the games which are popular today.

After the return of the baseball excursion from Ketchikan the various city sport attractions will be resumed. There are several items which will be of particular interest both in baseball and football. The playoff for the Dominion Day cup undoubtedly will attract a very good crowd. The regular schedule in the league fixtures will be resumed both in baseball and football and it is to be hoped that it will be possible for the schedule to be carried out without serious interruption as there is a very generous program arranged for the remainder of the season.

The Gyros, who are anxious to strengthen their baseball team have not as yet been able to secure the material which they desire, but with a few additions should field a team which should prove a serious contender for the city championship.

Anyone who witnessed the field and track sports on Dominion Day, in which the juniors only participated, must realize that this is one branch of sport which might be encouraged very considerably in the city. There were several who might develop into good athletes if only there was the necessary encouragement and interest shown in their progress. And after all what is more interesting to spectators than to witness a few good closely contested races, whether it is among young or old.
