## "UNGUARDED WOMEN"

A reproduction of the brilliant Saturday Evening Post serial for the screen. The story of a girl adrift, who needed a man to love her and save her from herself. The tale of a modern jazz-wild maid and a man's unselfishness. Are girls of today "unguarded" when cut off from home restraint? Is the jazz-girl of today able to take care of herself? Does she need a caveman husband to tame her? All these and many other vital question are answered in this magnificent photo-play. Lovely dresses, settings and scenery. Superb cast.

Richard Dix, Bebe Daniels, Walter McGrail, Frank Losee, Joe King, Mary Astor and numerous others.
