BRINGING UP FATHER

By George McManus

PLEASED WITH THIS DISTRICT

South African Rancher, on Trip of World, May Decide to Locate in Lakes Country

In the course of a trip which, when completed, will have taken him entirely around the world, G. Manley, rancher of Kenya Colony, South Africa, is a visitor in the city registered at the Prince Rupert Hotel. After having spent a fortnight in the Burns and Francois Lake district, Mr. Manley arrived here on this morning's train. He will sail for Vancouver on Friday morning and will visit Vancouver Island. Having already visited England and Eastern Canada, after leaving this country, he will proceed to Australia and thence home.

Mr. Manley, whose primary object in his globe trip is to find a new place to make his home, became much impressed with the Lakes district. It is, in his opinion, a most delightful country and, although he has heard a great deal of favorable mention of Vancouver Island, he does not see how it could appeal to him any more than did the Francois Lake district. Mr. Manley's desire is to locate as far away from dense population and large centres as possible. Francois Lake would i.e a splendid country to live in, he thinks. It possesses the advantage of a fine climate, has splendid hunting and, apart from that, he believes has profitable agricultural possibilities.

CHARLES G. D. ROBERTS HERE

Will be Busy During Visit In City; Lectures Tonight

Charles G. D. Roberts, Canada's eminent poet and author, arrived in the city from Vancouver on the Prince George this morning. He is staying at the Prince Rupert Hotel and will return to Vancouver Friday morning.

Mr. Roberts was met when the steamer arrived by J. C. Brady, principal of the High School, and W. S. Fisher, president of the Canadian Club. The meeting of Mr. Roberts and Mr. Fisher had somewhat more than an official nature to it for the two were acquainted many years ago in their home town of Fredericton, N.B.

Mr. Roberts will deliver an address in the auditorium of the Booth Memorial School under the auspices of the Prince Rupert High School tonight and tomorrow he will speak at a banquet being given in his honor by the Canadian Club. Today Mr. Roberts was a guest at the Rotary Club luncheon.

This is Mr. Roberts' first trip west of Lake Erie and the country, he says, is proving a revelation to him, exceeding all his expectations as to scenic splendor and immigration possibilities. He thoroughly enjoyed his trip up the coast. He has crossed the Atlantic fourteen times, so any little rough weather there might have been he did not notice.

Mr. Roberts makes his headquarters in Ottawa and London, England. He will proceed to England after the present tour of Canada and will spend the winter in the Old Country lecturing. He is very keen to have British immigration come to Canada and one of the objects of his lectures in the Old Country will be to encourage British settlers to come here.

STOP THAT COUGH NOW WITH A FEW DOSES OF DR WOOD'S NORWAY PINE SYRUP

Mrs. Alex Foster, R.R. No. 2, Proton, Ont., writes: — "I took a severe cold which settled on my lungs, and my cough was so bad, at times, it seemed as if it were tearing my lungs to pieces. I sent and got a bottle of Dr. Wood's Norway Pine Syrup and I got relief after the first few doses, and by the time I had finished the rest of the bottle I was completely relieved of both my cold and cough."

Sport Chat

The weather is not quite right yet for the first appearance of the baseball bug. That is why one hears little talk yet about the prospects for the approaching season and there still seems to be little interest. It takes a few fine balmy spring days, of which we have had none so far, to get the boys talking baseball. However, the first of May is just about here now and plans for the season should soon be under way. There is reason to believe that the game will be carried on again this year just as successfully as it has been in the past. W. D. Vance, president of the Association, said yesterday that the annual meeting would be called within a few days.

Vanderhoof is getting organized for the summer athletic season. The annual meeting of the Athletic Association there was held last week and the election of officers resulted as follows: President, Dr. W. Ross Stone; vice-president, E. A. Mitchell; secretary, George Ogston; treasurer, Roy M. Taylor. The treasurer's report showed that there was a balance on hand of $83.90 with no outstanding debts. The Vanderhoof Tennis Club also had its annual meeting last week and officers for the year were named as follows: President, D. W. Donald; vice-president, L. E. Wells; secretary, G. F. Wilks; executive, Mrs. R. M. Taylor and E. F. Wynne Heath. The annual meeting of the baseball club at Vanderhoof will take place on May 2.
