DELAY ACTION AT ACROPOLIS

Outlay Would be Too Great For Present Interest in Fair

The regular monthly meeting of the Fair Board was held last night in the city council chamber. There was a full attendance of directors with President Ben Self in the chair. Business was largely of a routine nature with a heavy volume of correspondence indicating that already a lively interest is being taken in the activities of the association for this year.

Mayor Newton was present and, before the meeting opened, he explained the view that was being taken by the board of works regarding the improvements asked for at Acropolis Hill grounds. It was considered that the proposal for permanent work suggested by the delegation which appeared recently before the council would involve such an outlay that it would be wise to give some time and thought to the scheme. For the present season, it would be practically impossible to have the crusher and roller placed on the grounds. The mayor stated that the board was in favor of permanent work being done and that plans with this end in view might be matured. In the meantime, the matter was in the hands of the Board of Works. The city was desirous of co-operating and the Fair Board might rest assured that the grounds would at least be put in suitable shape for this year's Fair sports program.

The matter of holding some kind of a celebration on May 24 in order to aid the association's finances was discussed and left in the hands of the sport and attractions committee to bring in a recommendation.

Among the letters read at the meeting was one from J. R. Stanyer of Francois Lake showing that an interest is being taken by that district in the Prince Rupert exhibition.

Tenders are to be called shortly for the printing of the 1925 prize list.

WAR VETERANS HOLD SMOKER

Ninth Anniversary Celebrated—Bishop DePencier One of Speakers

Marking the ninth anniversary of the founding of the organization, a very successful smoking concert was held in the Great War Veterans' Association's club rooms last night. President J. M. Campbell was in the chair and there was a large attendance. A first class program was discoursed and eats and smokes were furnished in abundance. Among the guests were Bishop DePencier of Vancouver, Archdeacon G. A. Rix, Mayor Newton, Ald. Brown, Ald. McKechnie and Ald. McMordie.

Bishop DePencier, in the course of an address, related some interesting anecdotes of his own overseas experiences and citizenship, etc.

urged members of the G.W.V.A. to "carry on the fight" for good

Mayor Newton made congratulatory remarks as to the work of the Association and said that the city would be willing to extend its support wherever possible.

Addresses telling of the early organization and work of the G.W.V.A. in Prince Rupert were given by J. F. Hutchinson, D. S. Cameron and W. E. Denning.

Presentation Made

A pleasant feature of the proceedings was the presentation to Fred Pyle, who headed the local G.W.V.A. last year, of a gold watch chain. President Campbell, in making the presentation, referred to the appreciation felt by the Association for Mr Pyle's good work. The recipient replied stating that he would always be prepared to assist the Association whether or not he was a member of the executive.

Besides selections by the North B.C. Regiment Band and Piper James Sturgeon, the program included solos from J. N. Kelly, F. Fortune, E. Sabourin, James Harris, Tommy Black, J. Ross, Frank Wells, Harry Astori and Jack Judge. Accompanists were W. Vaughan Davies and C. L. Youngman.

EASTER CANTATA AT OCEAN FALLS CHURCH

Large Audience Sunday Evening to Hear Excellent Singing of Choir

OCEAN FALLS, April 16.—The services at St. Paul's Anglican Church here, Rev. E. A. Hodson rector, were well attended this year on Easter Day. In the evening the church was packed to the doors to hear a fine rendering of Maunder's Cantata "Patience, Pardon and Peace" by the choir.

Miss Mavis King was in excellent voice in the soprano solos, while the bass and baritone solos, sung by Messrs. Godding and Morel respectively, left nothing to be desired. E. Antil, choirmaster, was complimented on the splendid chorus work under the leadership of Miss Avner Nutt. A large measure of praise was also given Alan Crawford, organist, whose sympathetic accompaniments had much to do with the all round excellence of the singing.

The church was tastefully decorated by members of the Women's auxiliary, whose good work in connection with St. Paul's has always been so marked.

The New Cunarders

AURANIA
ASCANIA
ALAUNIA

These palatial liners, another Cunard achievement, have been added to the famous Cunard Canadian fleet which brings the pleasures of "travel de luxe" within the reach of all.

Like the Ausonia and Antonia, they are "Cabin Ships," carrying only Cabin and Third Class passengers.

Among the advanced conveniences offered are delightful private suites, beautiful bedrooms, and an unusually large number of two-berth staterooms.

Their public rooms embrace a Venetian Palace Smoking room, one of the most unique and charming of the kind afloat, a Long Gallery in fascinating design of oak panelling, a delightful Winter Garden, beautifully panelled in figured fiddle-back sycamore, a Peter Pan Nursery for the children, Gymnasium located on the boat deck, Lounges, Writing rooms, Library, magnificent Drawing room, perfected systems of heating and ventilation under the control of passengers, and every other modern equipment conducive to comfortable and pleasant ocean travel.

Add to the above features, the enjoyment and educational interest of the St. Lawrence River trip and it is easy to appreciate that a voyage via the Cunard Canadian Route is a perfect pleasure cruise.

TOURIST YEAR BIGGEST YET

So Anticipates J. E. Dalrymple for 1925 on Return from Western Tour

WINNIPEG, April 16. — The biggest tourist year that the Pacific Coast has ever known is promised for 1925 according to J. E. Dalrymple, vice-president of the Canadian National Railways who returned yesterday from a tour which took him to the Pacific Coast offices of the company. Canadian National Railway bookings are already treble those of any previous year and there will be many special parties in both directions. The holding of a number of conventions on the Pacific Coast, chief among them are Shriners, Knights, Templars, and Elks organizations, ensures a large traffic to that part of Canada and in a number of cases special trains are being operated to carry convention delegates over the Canadian National Railways to Winnipeg and Eastern points.

The provision of new facilities at Jasper Park Lodge such as the golf course, nine holes of which will be ready for play, and the swimming pool, is attracting even more attention this year to Jasper National Park, which Mr. Dalrymple anticipates will have by far the greatest season in its history. The Jasper Park course, he declares was acknowledged by golf experts to be one of the best on the North American continent.

The new steamship service to Alaska being opened by the Canadian National on the coast, the first sailing of which will be on June 22, has attracted many bookings also.
