SPECULATION FOOD SUPPLIES

Financial Paper Discusses Possibility of Stopping Recurrence

The suspicion that the recent spectacular break in grain prices was the result of a bear pool engineered by Jesse Livermore, of New York, and Thomas Hewell, of Chicago, has taken such definite form that the U.S., through the Grain Futures Commission, has ordered an investigation to find out who was responsible, says the Financial Post. The contention is that not only was there no justification for the break which wiped out thousands of small speculators, but that losses of many millions for the farmers of America are entailed.

Industrial Question

"The worst side of this whole thing, is the fact that we are now being compelled to sell our foreign customers grain far below the prices they expected to pay weeks ago," one Canadian banker, in close touch with the grain market, told the New York correspondent of the Financial Post. "The matter should not be regarded from the point of view of either the farmer or the grain speculator. It should be looked upon from the point of view of North America as a whole. We have the wheat and the foreign buyers wanted it and were willing to pay in many cases as high as $1.95 or $2.00 a bushel. Just before this lates break, Russia, for intance, was in the market for 20,000 tons o grain. Her buyers were willing to pay $1.98 per bushel for their wheat. But the break came and the Russian buyers withdrew.

If there has been any improper manipulation it is highly important that it should be brought out not so much with the idea that losses can now be repaired but to pave the way for regulation to prevent a recurrence of such manipulation in the future.

Air Out of Bubble

However, this is not the first charge of the kind that has been made. Always there is a cry of "dirty work" when the air goes out of a speculative bubble, and it is significant that there is never any complaint when the price is going up, even though that would seem to be just as much a part of the manipulation as the decline. If something can be done to even out these speculative waves it will be a good thing for both producers and consumers, but we have a feeling that so long as people who know little or nothing about the grain business feel that they can outguess the professional element as to future values just so long will they continue to lose their money as they did in this case. As to the actual market value of the wheat itself, who is to rule whether it is one dollar or two dollars? Only buyers and sellers can strike that basis.

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Aulthouse, Woodrous, Ont., writes:—"After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours.

I began to feel much better, and after taking a few more boxes I could enjoy my rest as well as I ever did. I always recommend them to all my friends."

BASKETBALL BOYS BACK FROM ANYOX

Intermediate Colts Lost Games But had Good Time in Spite of Rough Trip

The Colts' Intermediate basketball team returned to town at 4 o'clock yesterday afternoon on the gasboat Laura F. from Anyox where they were defeated by the Anyox Mine team 25 to 23 for the Northern B.C. intermediate championship. The Colts played a second game on Monday with a fresh Anyox all-star team also losing that by 34 to 22.

After the games on Monday evening, the local boys were the guests of honor at a party given by Mr. and Mrs. Chapman. They sailed for home at 1 o'clock Wednesday morning and reached here at 4 p.m. The trip north took from 8 Sunday morning to 8 that night. Rough weather was experienced both ways particularly at the mouth of the Naas River.

Those making the trip were Bob Frizzell, skipper of the Laura F., Douglas Frizzell, W. Wrathall, George Shenton, Don Graham, Eddie McLean, Y. Katsuyama, Arthur Phillips, Ralph Smith and Johnnie Sims.

Sport Chat

It is the middle of April and organization of outdoor sports in Prince Rupert for the coming summer season seems to be progressing slowly. There are no signs of life as far as baseball is concerned but, doubtless, the annual meeting of the Association will be called shortly and then things will be under way. As for football, the registration forms are still out and there seems to be a tendency for the players to hang out as far as signing is concerned. It is proposed to have the Stuart Shield competition, the first this year under way somewhere around May 1. Lacrosse is an uncertain quantity and it seems doubtful now if there will be any played here this year.

British Columbia has been invited to send exponents of the game of lacrosse to Australia, the Victoria Lacrosse Association having sent a letter to the B.C. L.A. stating that a visit of a team from this province is greatly desired. The belief is expressed that there would be no difficulty in securing the $10,000 guarantee required. They propose to play the games with the British Columbia team in the spring of 1926. The Crescent Athletic Club of New York, for many years lacrosse champions of the United States, are also anxious to meet a British Columbia twelve and suggest the spring of 1926 as a suitable time for a series. Yale, Syracuse, West Point and Maryland universities have also been in communication with the B.C.L.A. with a view to receiving visits from a Pacific Coast team.

FRECKLES

Sun and Wind Bring Out Ugly Spots. How to Remove Easily

Here's a chance, Miss Freckleface, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any drug or department store and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove your freckles.

At all drug or department stores or by mail. Othine, P.O. Box 2616, Montreal, Canada.
