HEART WAS WEAK . NERVES ALL GONE

Mrs. J. H. Hallenbeck, 117 1/2 Welland Avenue, St. Catharines, Ont., writes:—"I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep, or endure any excitement, and when left alone I felt as if I could scream. I took dizzy spells, often falling and bruising myself. My mother read about your Milburn's Heart and Nerve Pills, and bought me a box, but having taken so many different kinds of medicine it just seemed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had used five boxes, and after I had taken them I did not need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me."

The Man in the Moon

OH I like to visit
The second salt lake
And there a peep
At the beauties take.
For the Rupert girls
Are pretty as can be
But only at the lake
Can you all of them see.

If a girl shows her garters on the street some of the prudish say she is immodest, but at the salt lake she does not need garters. That seems like a distinction without a difference.

IT'S a wonder there are not more corpses at Fairview considering the number of cold cures people recommend their neighbors.

The following communication has been received: "Dear Man in the Moon:—Your stuff's rotten. Why don't you make a joke sometimes. Say something bright about the city council and the way they draw their pay every month for serving the public so faithfully, and the mayor for being such a good mixer and the merchants for being such rustlers and going out for business and not getting it, and the president of the Board of Trade for going to run for member, and the tennis players for running around with their little bats, and the bats the other people go on, and the drunks on the streets and the mayor that does not see them, and the boozemen that make money out of them, and all kinds of things I could write about. If you can't do it hire me, I could make it snappy and, you bet it would be funny enough. —Smithy."

WAY-back in the garden of Eden
A ban was placed on fruit,
So the woman just stole a little
And was backed by a man—the brute!

So today when you wish to entice her,
You ban the thing you would sell,
You hedge it around with restrictions
Then the crowd goes for it pell mell.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 19, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.
