

Do YOU realize you are getting OLD?

What are you going to do when you are too old to work? Most old people have to ask others for support, but you can avoid this if you commence NOW to acquire an assured, independent income.

To enable you the more easily to do this, the Canadian Government maintains the Annuities System. On very easy terms you may buy an Annuity of any amount from \$50 to \$5,000 a year, guaranteed by the Dominion of Canada, which will commence at any age you choose and will last as long as you live. There are plans of purchase under which you may protect the interests of your wife or dependents for a term of years certain. No medical examination is required.

A Government Annuity cannot be seized for debt, is non-forefetable, and is free from Dominion Income Tax. For further particulars, fill out this Coupon and address it as directed.

## A GOOD WAY TO INCREASE BUSINESS

Many advertising messages fail to attract attention because they are either unattractive or are too stereotyped. This is the opinion of one of our busiest and most successful business firms—Albert & McCaffery, Ltd. They have succeeded in interesting many new customers in the story of the famous Nanaimo - Wellington coal and since the coal itself lives up to its reputation these customers are coming back daily for more. Nanaimo-Wellington coal is the premier fuel for the fireplace, range and furnace. More heat—less ash—no rock or clinkers. You should try Nanaimo-Wellington as soon as your present supply gets low. Better still, if you order some now you can test it out with the coal you are now using. Nanaimo - Wellington stands supreme when a comparative test is made. To secure a supply phone Albert & McCaffery Ltd., who are sole agents here. Their phone numbers are 116 and 561.
