George Evans of this city, who served in Korea for more than a year is now located in Vancouver where he is in the employ of the B. C. Sugar Refineries.

If You're TIRED ALL THE TIME
Everybody gets a bit run-down now and then, tired-out, heavy-headed, and maybe bothered by backaches. Perhaps nothing seriously wrong, just a temporary toxic condition caused by excess acids and wastes. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys, and so help restore their normal action of removing excess acids and wastes. Then you feel better, sleep better, work better. Get Dodd's Kidney Pills now. Look for the blue box with the red band at all druggists. You can depend on Dodd's.

From the standpoint of weather in Prince Rupert, Sunday and Monday were hardly good enough to praise. There were occasional spells of sunshine, plenty of clouds and dull sky and a little rain. In fact, the two days could be called "spotty."

The funeral service of Mrs. Alice Louisa Gilmour, aged 84, took place at Galiano last Thursday. Surviving members of the family are her husband, Capt. W. M. Gilmour, one son and three daughters. Capt. and Mrs. Gilmour, who came from England, lived in Prince Rupert and elsewhere in the province before moving to Galiano.

FRANCOIS LAKE
Mrs. Clarence Snyder has returned from a hurried trip to Spokane to meet her mother-in-law who had been visiting in Glenwood Springs, Colorado, since October.

Fashions Hit Compromise—Not Slim or Full; Hems Drop Lower

will have to turn to Christian Dior this season. Other designers leave the waist loose and low for a middy effect. Daytime necklines are modestly high, but they get lower and lower on cocktail, dinner and dance dresses. Dark and sober colors lead the field. Black, dark grey, brown and beige predominate, with some dark reds, purples and blue-greens. Rough tweeds are favorites for suits and coats, often trimmed with beaver or other fur collars and cuffs. Other fabrics are luxurious velvets and laces.
